

Submitter: Don Wheeler

On Behalf Of:

Committee: House Committee On Environment and Natural Resources

Measure: SB1589

I would ask that this bill would not be passed. I have been a responsible user of the river as a wakeboarder and now I have 2 grandsons that are able to ride and use the river. Please consider the importance of enforcing the existing rules of good boating to prevent damage by a few irresponsible boaters and not shut down the river to all of us. Thank you
