

Submitter: Wayne Stewart

On Behalf Of:

Committee: House Committee On Environment and Natural Resources

Measure: SB1589

I support SB 1589. Shallow water areas support fish, mussels, birds and mammals. These important habitat areas are negatively impacted by large waves created by heavy wake boats. These unnatural large waves cause bank erosion, clouding of shallow water areas and destruction of critical habitat. Please pass SB 1589. Thank You.

Wayne Stewart
