

Submitter: Russ Axelrod

On Behalf Of:

Committee: House Committee On Environment and Natural Resources

Measure: SB1589

I urge your support of SB 1589 to limit the loading weight of motorboats for recreational uses. This is one small effort needed to help protect and restore the river and nearshore ecological conditions adversely impacted by the heavy recreational boats, in addition to the deleterious affects these boats have on other river users and property owners. Help us all be better stewards of our great river resources by supporting this bill, and thank you for your service.

Russ Axelrod
Former Mayor West Linn
