Committee: House Committee On Environment and Natural Resources

Measure: SB1589

My name is Tim Austen. My family and I live on the Upper Willamette in the Newberg Pool section of the river. We have waterfront property as well as a dock. We boat, fish, swim, paddle on the river. We **STRONGLY OPPOSE** this. We recreate on the river year round. We maintain our property and our shoreline. We maintain our dock. We maintain our boat. There are designated surf zones which work! I fish off our dock, and catch/release fish regularly. Please do not jeopardize my families ability to safely and responsibly recreate on our river.

Thank you
