On Behalf  
Of:

Committee: Senate Committee On Judiciary and Ballot Measure 110  
Implementation

Measure: HB4105

I oppose HB 4105 or any other type of electronic surveillance of its citizens of this state. This Bill is nothing more than a revenue scheme. Without an actual officer involvement present to verify the offender/driver of the vehicle will allow the citation to be issued to the vehicle rather than the actual driver committing the offense.

Legislators please do not start on a path of camera surveillance, I ask you not to recommend this Bill.
