Committee: House Committee On Rules
Measure: HB4131

I strongly oppose the passage of HB4131 out of this committee. Portland Police indiscriminately gassed crowds of peaceful protestors more than 100 times during one summer alone. The restraints imposed by the previous bill were desperately needed and do not need to be changed. Police do not need to be given more power to cause harm to protestors asserting their legal rights to gather and protest. Please, for the safety of the community, do not pass this bill.
