Dear Sirs and Madams

We are writing this letter in support of HB 4082. This Bill has been created in order to guarantee burial/interment with dignity in our National Cemeteries for Veterans who served their country Honorably. Mortuaries are paid by the USDVA to transport Unclaimed Veteran cremains to the closest National Cemetery, so they should not remain in mortuary buildings. This Bill has been created in order to guarantee burial/interment with dignity in our National Cemeteries for Veterans who served their country Honorably.

The American Women Veterans Association has been attending the remembrance ceremonies at the Roseburg National Cemetery for many years. We wish that all veterans who are laid to rest with or without family are laid with respect and honor they deserve. Our veterans deserve a final resting place in our cemeteries not long forgotten in a corner of a mortuary.

Sincerely yours,

Cecilia McMullen

President of American women Veterans Association of Douglas County
