

Submitter: Tina Musshorn  
On Behalf Of:  
Committee: Senate Committee On Education  
Measure: SB1552

Our kids have suffered greatly under the unnecessary/un-scientific lock downs. Our kids are behind in significant ways now and they should all be able to choose the school that best fits their learning needs. We must start putting the needs of our children before the needs of the teacher unions. This is a parent's choice NOT the choice of elected bureaucrats. Do the right thing and vote in favor of this bill.
