

Submitter: Erik Kancler
On Behalf Of:
Committee: House Committee On Revenue
Measure: SB1582

Chair Nathanson and Members of the Committee:

I'm briefly on behalf of county assessors regarding the -A3. We haven't had a chance to fully review as this was just posted to OLIS. At a glance we have potential concerns but will need more time to review and consider before knowing for sure. We will reach out to the amendment requester to discuss as well.

Thank you,
Erik Kancler
