Measure: SB1572

Tuesday, [02.22.22]

I OPPOSE [SB 1572] as written.

The 'loan forgiveness' program participants include just about anyone relating to education.

I like the 'loan forgiveness' concept yet, [SB 1572] does not state who and with what money pays the 'loan forgiveness'.

More specifics as to the finances supporting [SB 1572] are required.
