On Behalf Of: Mr Oregon Opposes SB 1583
Committee: House Committee On Education
Measure: SB1583

Tuesday, [02.22.22]

I OPPOSE [SB 1583]. "Directs Department of Education to ensure that standardized summative assessments are administered to minimum extent practicable."

The legislature has consistently 'dumbed-down' Oregon schools.

The 'Lottery' was supposed to support Education but, we all know that was just a damnable lie.

Outdated books, lack of regular school supplies, shorter-hours, 'zoom-school' and additional unsavory management practices are having catastrophic effects on Oregonian students.

'Standardized summative assessments' are an unfortunate necessity due to the pathetic performance of the State of Oregon.

'Standardized summative assessments' should augment traditional teaching methods.

Mr. Oregon Concurr-Last session you enacted a law that really dumbed down high-school kids.
