On Behalf Of:

Committee: House Committee On Environment and Natural Resources

Measure: SB1589

For all Oregonians and wildlife that depend on the river, I support SB 1589 to restrict the impact of Towed Water Sports.

Please oppose Amendments -7, -10, -11, -12, -13, and -14. The base bill SB 1589 is good as it was when passed by the Senate.
