

Submitter: Ben Zemanski

On Behalf Of:

Committee: House Committee On Environment and Natural Resources

Measure: SB1589

I oppose this bill. This is what make our city and state such an incredible place to live. We have so much access in our backyard to all this adventure and there's not enough reason to restrict your tax paying citizens of this type of activity. This will further drive more and more taxpayers out of the city of Portland and continue its downhill spiral.
