

Submitter: Dave King
On Behalf Of: Farmworker overtime HB 4002
Committee: Joint Committee On Farm Worker Overtime
Measure: HB4002

Overtime is assumed by most of us. Keeping it away from the people who do the MOST ESSENTIAL work: feeding us is silly and nasty. I had no idea that farmworkers didn't have overtime. They should have all the rights that the rest of us take for granted.

Farmers will not be hurt because they will ALL be paying overtime.
