

Submitter: Carly Ira  
On Behalf Of: SB 1552  
Committee: Senate Committee On Education  
Measure: SB1552

Many Oregon families are often frustrated with limitations on their children's education. At the beginning of the pandemic, I was one of those families. I waited nervously to see if my students would be released from BSD to a virtual charter. Thankfully, I was granted the release and my children have been thriving with this model. Please support SB 1552 and give equal opportunity to all students while improving Oregon's report card.
