

Submitter: Greg Lambert  
On Behalf Of: Oppose Hb 4002  
Committee: Joint Committee On Farm Worker Overtime  
Measure: HB4002

Years ago when I was in Hawaii, I learned that much of the sugar cane production had moved to the Philippines. The reason was that labor unions had made it so expensive to grow sugar cane in Hawaii, companies quit growing it. The same will happen in Oregon with our farms if this bill passes. Please vote against it.
