

Submitter: Sherwin Davidson
On Behalf Of: Farm Worker Ministry
Committee: Joint Committee On Farm Worker Overtime
Measure: HB4002

I encourage your supportive action on HB 4002. The inequity and unfairness of not recognizing the labor protection for and our debt to farmworkers is painful for them. Each time any one of us fails to take action on farm workers' behalf, we are complicit in their treatment.

Please continue to do what you can to urge passage of this bill to the next step when it comes up today, February 25th.

My thanks to all of you for your continuing service.
