On Behalf Of: Mr Oregon Supports HB 4144
Committee: Senate Committee On Rules
Measure: HB4144

Sunday, [02.27.22]

I SUPPORT [HB 4144]. "Allows identified election worker to have residence address exempted from disclosure as public record by county clerk."

[HB 4144] has been needed ever since the anarchists invaded neighborhoods of elected officials and other government workers to spread hate, intimidation and violence.

[HB 4144] is solely designed to protect one sector of government employees-All government employees; elected and civil servants should be protected.

[HB 4144] should carry with it 'criminal code sanctions such as; Felonies' for those anarchists using criminal methods to frighten and or intimidate election workers.

I would hope additional legislation be designed and implemented to 'punish' and 'financially hurt' the criminals who attack our democracy by invading our neighborhoods and causing all sorts of mayhem.

Good Work!

David S. Wall
Mr. Oregon Concurr.
