The voting members select a chair from among the voting members. At least eight voting members must be present to take action to award grant funds.

### **Duties<sup>4</sup>**

The Oregon Plan for Salmon and Watersheds is a comprehensive program for the protection and recovery of species and for the restoration of watersheds. The board administers the Oregon Plan through grants funded by the Oregon Lottery, federal programs, and the salmon license plate. The board must:

- adopt rules and standards to carry out the watershed enhancement program;
- coordinate its activities with the Natural Resources Division of the State Department of Agriculture;
- facilitate the implementation and administration of the grant programs;
- maintain and administer specified accounts;
- report biennially to the Legislative Assembly on program implementation; and
- report biennially to the Governor and Legislative Assembly about the implementation and effectiveness of the Oregon Plan.

The board may:

- work cooperatively with any local watershed council that may be formed;
- establish advisory and technical committees; and
- accept moneys from public or private sources to secure watershed enhancement or to carry out the functions of the board, including administrative expenses.
