AGENDA

Revision 2 Posted: MAR 23 03:11 PM

WEDNESDAY

Date: March 29, 2023
Time: 3:00 P.M.
Room: HR C

Work Session

HB 3459

Prohibits energy utility from disconnecting service to residential customer for failure to pay amount owed for energy services.

HB 2989 **

**Subsequent Referral(s) to Ways and Means

Directs State Department of Energy and Department of Land Conservation and Development to convene work group to examine barriers, opportunities and other issues related to renewable energy and transmission project siting in Oregon.

HB 3590 **

**Subsequent Referral(s) to Ways and Means

Directs College of Forestry at Oregon State University, in collaboration with Department of Environmental Quality and State Forestry Department, to research development of fuel pathways for low carbon fuels derived from woody biomass residues from forestry operations.

HB 3004

Requires State Department of Energy to study renewable energy resource development.

HB 3143

Authorizes public utility, upon approval by Public Utility Commission, to issue bonds and securitize debt for costs and expenses incurred or to be incurred by public utility associated with events subject to federal or state declaration of emergency.

HB 3464

Provides, for purposes of certain statutes relating to taking of predatory animals, that terms "predatory animal" and "rodent" do not include beavers.

HB 3055

Requires Public Utility Commission to establish eligibility cap for nameplate capacity for small power production facility that produces energy using solar or wind energy to qualify as qualifying facility at no less than 10 megawatts.

AGENDA (cont.)

March 29, 2023

Public Hearing and Possible Work Session

HB 2190

Establishes state policy that benefits from offshore wind energy development go to local and regional communities, ecosystems and environments and economies and that interconnection of offshore energy projects be carried out in manner that promotes electric grid reliability and resilience.

Public Hearing

HB 3378

Requires Public Utility Commission, in consultation with State Department of Energy, to study development and adoption of microgrid systems and use of microgrid systems for increasing electric grid and energy resilience.

HB 3525

Requires power purchase agreements to permit qualifying facilities to provide energy or energy and capacity to third parties during periods of emergency.

HB 3579

Requires Oregon Department of Administrative Services to adopt rules to govern procurements of clean energy technology.

Note change: HB 2713 has been removed from this agenda. HB 2571 has been removed from this agenda and rescheduled for a future meeting.
