House Committee on Emergency Management, General Government, and Veterans

Oregon State Fire Marshal

Mariana Ruiz-Temple State Fire Marshal

Our Mission

To protect people, property, and the environment from fire and hazardous materials.

Our Values

Integrity: We believe in being honest, fair, and doing the right thing in everything we do.

<u>Dedication:</u> We are committed to performing our work the best we can in support of our mission, our customers, our stakeholders, the public, and each other.

Leadership: We are committed to be a leader in the Oregon fire service, to lead our organization, and lead ourselves as individuals in our day to day work.

<u>Partnerships:</u> We believe our success and the success of others depends on collaboration with our stakeholders.

Service to Others: We believe that serving others is a cornerstone of our mission, our day to day work and is all inclusive.

Agency Structure

Fire and Life Safety Education

- Programs and services to reduce fire impacts to people and property
- Uses data and methods of prevention to reduce fire
- Practitioners in the field supporting communities and fire service
- Data collection and research

Regulatory Services

- Community Right to Know-Hazardous Materials Storage
- Fireworks
- Cardlock Program
- Self-Serve Fueling

Fire and Life Safety Services

- Oregon Fire Code
- Defensible space program
- Regional staff to support fire service agencies and communities
- Fire Investigation

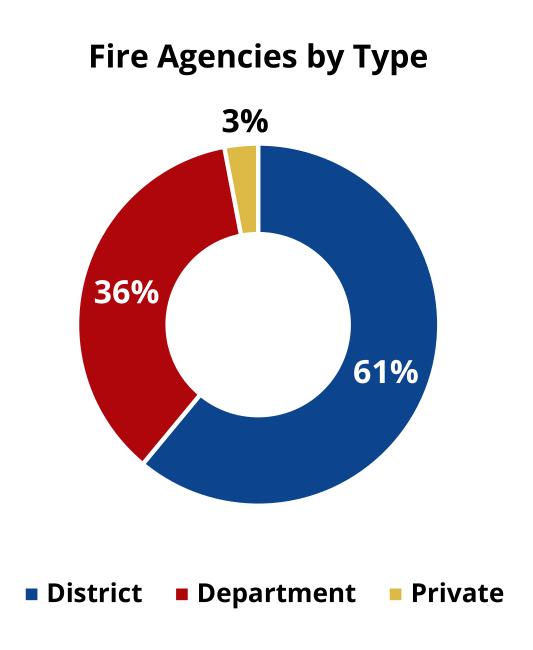

Emergency Response Services

- Oregon Fire Mutual Aid System
- Incident Management Teams
- Conflagration Mobilizations
- Regional HazMat Teams
- Oregon Structure Assessment Program

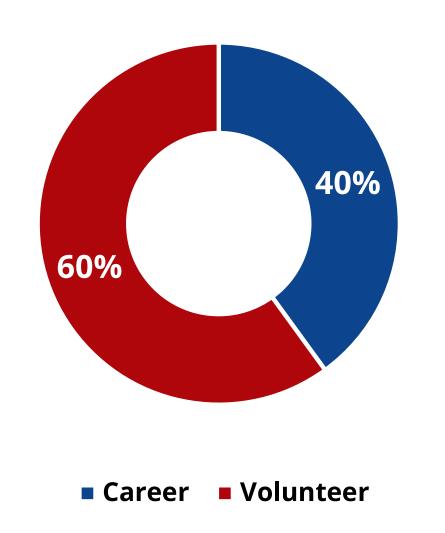

Oregon Fire Service by the Numbers

Agency data used in this presentation was compiled from agency submitted data either directly to OSFM or to industry affiliated websites.

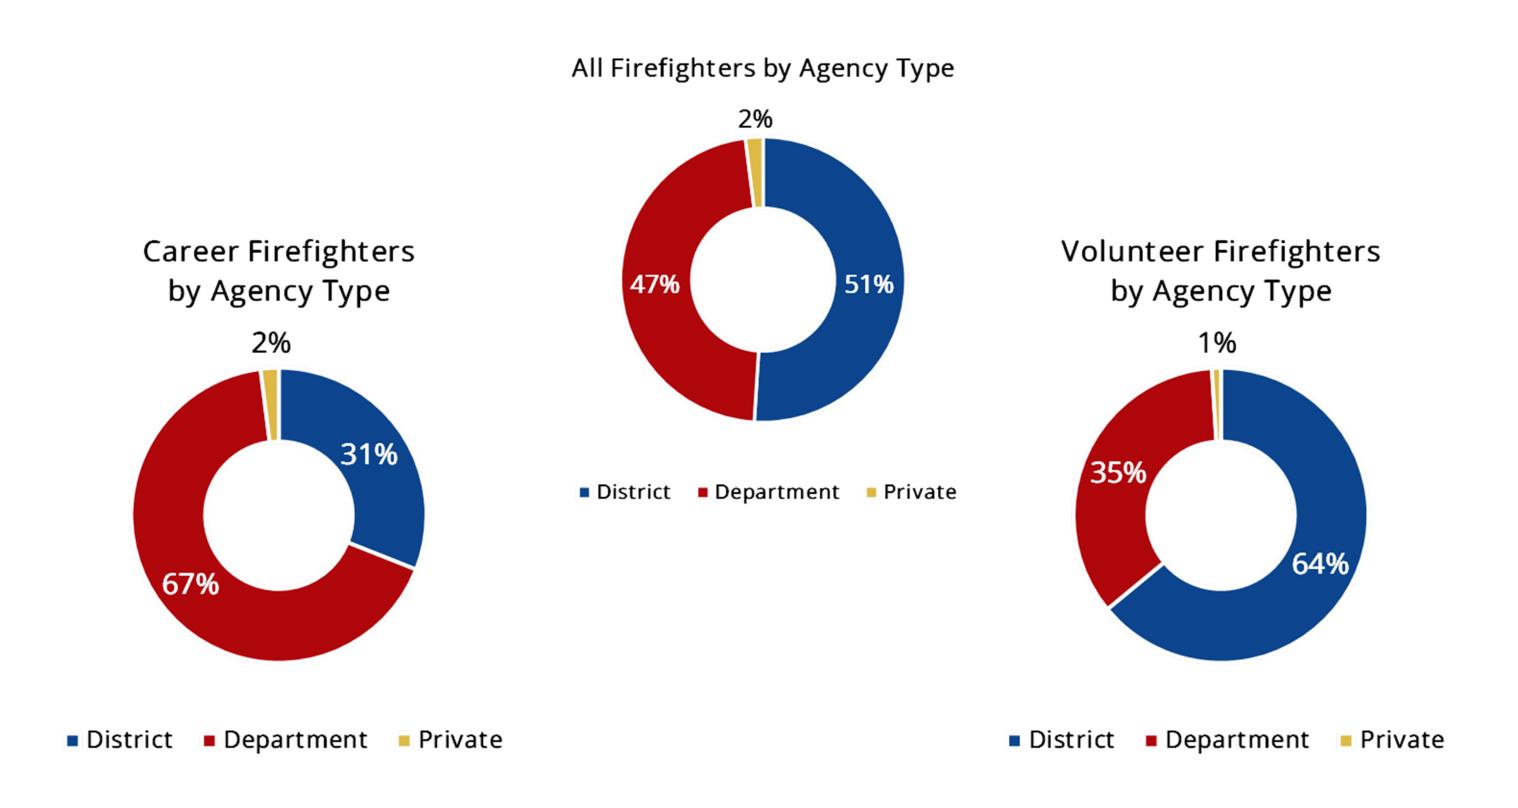

Agency classification & composition data was available on **289** of the **306** active structural firefighting agencies.

HB 2927 History & OSFM Structure

- 1993 OSFM placed under authority of OSP
- Current Structure places OSFM as a Bureau within OSP
- A few factors in the past 2 decades led to a shift:
 - Population growth
 - Acute increased risk to Oregonians
 - Have equal representation on fire and life safety issues
- National shift away from consolidated public safety organizations to equal and distinct public safety agencies.

HB 2927 Agency Transition Taskforce

- HB 2927 codified in June 2021 Legislative Session
- Created a taskforce to examine the need for OSFM to be an independent agency.
- Taskforce report completed and presented to the Legislature on November 16th, 2021.
- Affirmed the recommendation of OSFM as a stand-alone agency.
- OSFM brought project manager on job rotation to begin the transition.
- Submitted a letter with funding request for Special Purpose Appropriation in February 2022.

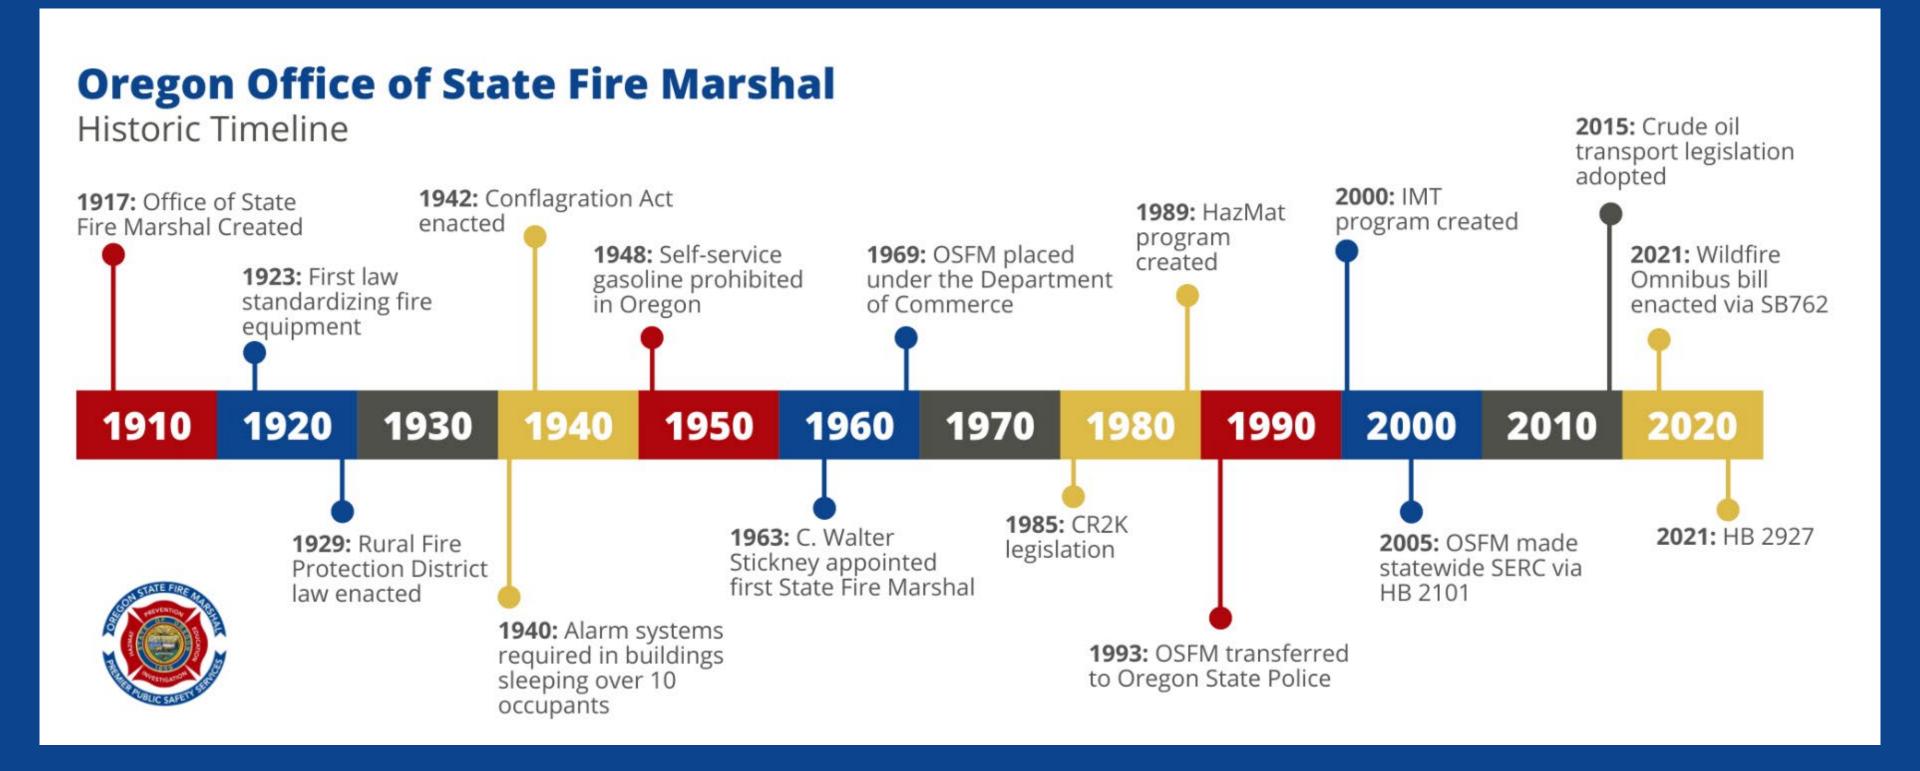

Transition Looking Forward

- Focused on finalizing the pieces for a full transition by July 1, 2023
- Final key positions onboard
- Submitted a budget at Current Service Level
- Finalize business services transition
- Finalize contract for General Headquarters and satellite location
- Website Transition

History of OSFM

Senate Bill 762 Programs

Community Risk Reduction Program

- Fire Adapted Oregon
- Grant programs for community preparedness staffing capacity, vegetation, landowner
- Statewide defensible space program

Response Ready Oregon

- Pre-positioning
- Immediate response
- Grant programs for staffing capacity, equipment, apparatus, and training.
