#### **ISSUES DISCUSSED:**

##### **EFFECT OF AMENDMENT:**

No amendment.

##### **BACKGROUND:**

Under ORS 350.300, tuition and fees are currently waived for current and former foster children as well as current and former homeless youth. A "former foster child" is currently eligible for a tuition and fee waiver if they were:

1. In foster care for at least 6 months between the ages of 14 and 21, and
2. Did not leave foster care prior to age 16.

HB 2706 removes the second requirement. Under the new definition, any child who was in foster care for at least 6 months between the ages of 14 and 21 will be eligible for a tuition and fee waiver, regardless of the age at which they left the state's care. Eligibility for both the Oregon Opportunity Grant (ORS 348.205) and scholarships for current or former foster children (ORS 348.272) rely on the definition of "former foster child" in ORS 350.300, meaning that eligibility for these financial aid programs would also be broader under HB 2706.

HB 2706 removes one condition for receiving state-administered financial aid for former foster children.
