Senate Committee On Education

Prepared By: Lisa Gezelter, LPRO Analyst

Meeting Dates: 1/31

WHAT THE MEASURE DOES:

Amends statutory provisions relating to Early Learning Account to continuously appropriate funds to the Oregon Department of Education (ODE) for early childhood special education or early intervention services; and to the Department of Early Learning and Care (DELIC) for specified purposes. Requires DELIC to disburse and expend moneys consistently with intended purposes, but allows DELIC to disburse moneys in manner it determines is most consistent if purpose is not specified. Allows DELIC and DHS to form interagency agreement and delegate responsibilities to each other. Allows DELIC to enter into agreements governing its records and to maintain a data system accessible to DHS or ODE. Restricts DELIC's procurement authority to those items related to the authority of the Department of the Early Learning Council. Allows Early Learning System Director to delegate any duty, function, or power to a subordinate employee. Declares emergency, takes effect July 1, 2023.

EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

The Early Learning Division of the Department of Education was established by passage of House Bill 3234 in 2013. That measure transferred certain duties previously assigned to the Early Learning Council to the Division. Since that time, the Division has served to govern and manage most of the state's early child care and education programs and services. House Bill 3073 (2021) made the Early Learning Division into an independent state agency called the Department of Early Learning and Care. House Bill 4005 (2022) extended the date by which the transition to independence would take place to July 1, 2023. Senate Bill 427 modifies provisions of the enacting legislation.
