No amendment.

BACKGROUND:

The Governor appointments to over 250 boards and commissions connected to various policy and subject matter areas, including to policy-making boards that head major state agencies and departments. Oregon law requires state board and commission members to be paid per diem and be reimbursed for actual and necessary travel or other expenses to a member who is not in full-time public service and has a certain adjusted gross income. However, current law does not provide an employee or employer direction regarding leave from work to serve on a board, commission, council, or committee.

House Bill 3028 requires an employer to allow an employee to take leave without pay for time spent by the employee in service as an appointed member of the board, commission, council or committee.
