Celebrating 75 Years of Applied Learning

# Industry's University

- Oregon Tech is industry's university because we are preparing career-ready professionals.
- Oregon Tech is industry's university because we are committed to creating an innovation ecosystem that is a surrogate lab for industries.
- Oregon Tech is industry's university because we don't want to wait for industry to search and find us.
- Oregon Tech is industry's university because we are fully prepared to take a new and innovative approach to intellectual property exchange.
