

HB 2626 STAFF MEASURE SUMMARY

House Committee On Behavioral Health and Health Care

Prepared By: Brian Nieubuurt, LPRO Analyst

Sub-Referral To: Joint Committee On Tax Expenditures

Meeting Dates: 2/7

WHAT THE MEASURE DOES:

Adds licensed psychologists, licensed clinical social workers, licensed professional counselors or marriage and family therapists, and certified medical laboratory scientists or medical laboratory technicians to types of providers eligible for rural medical provider tax credit. Applies to tax years beginning on or after January 1, 2022. Takes effect on 91st day following adjournment sine die.

FISCAL: May have fiscal impact, but no statement yet issued.

REVENUE: May have revenue impact, but no statement yet issued.

ISSUES DISCUSSED:

EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

Many medical practitioners who provide care in rural parts of the state are eligible for a tax credit based on the distance from a major population center their practice is based. In addition to being based in a rural area, the practitioner must remain willing to serve Medicare and Medicaid beneficiaries. The credit is available to practitioners licensed as certified registered nurse anesthetists, dentists, doctors of medicine, doctors of osteopathic medicine, nurse practitioners, optometrists, physician assistants, and podiatrists.

House Bill 2626 would add licensed mental health professional and certified medical laboratory scientists and technicians to provider types eligible for rural medical provider tax credit.
