Thank you for the privilege of presenting the 2023-2025 budget for the Board of Naturopathic Medicine on Wednesday, February 8. In response to Co-Chair Sen. Frederick's request for additional information, please see the attached map designating the number of naturopathic doctors practicing in Oregon per county. The number and percentage of naturopathic doctors per county is based the December 2022 licensure renewal.

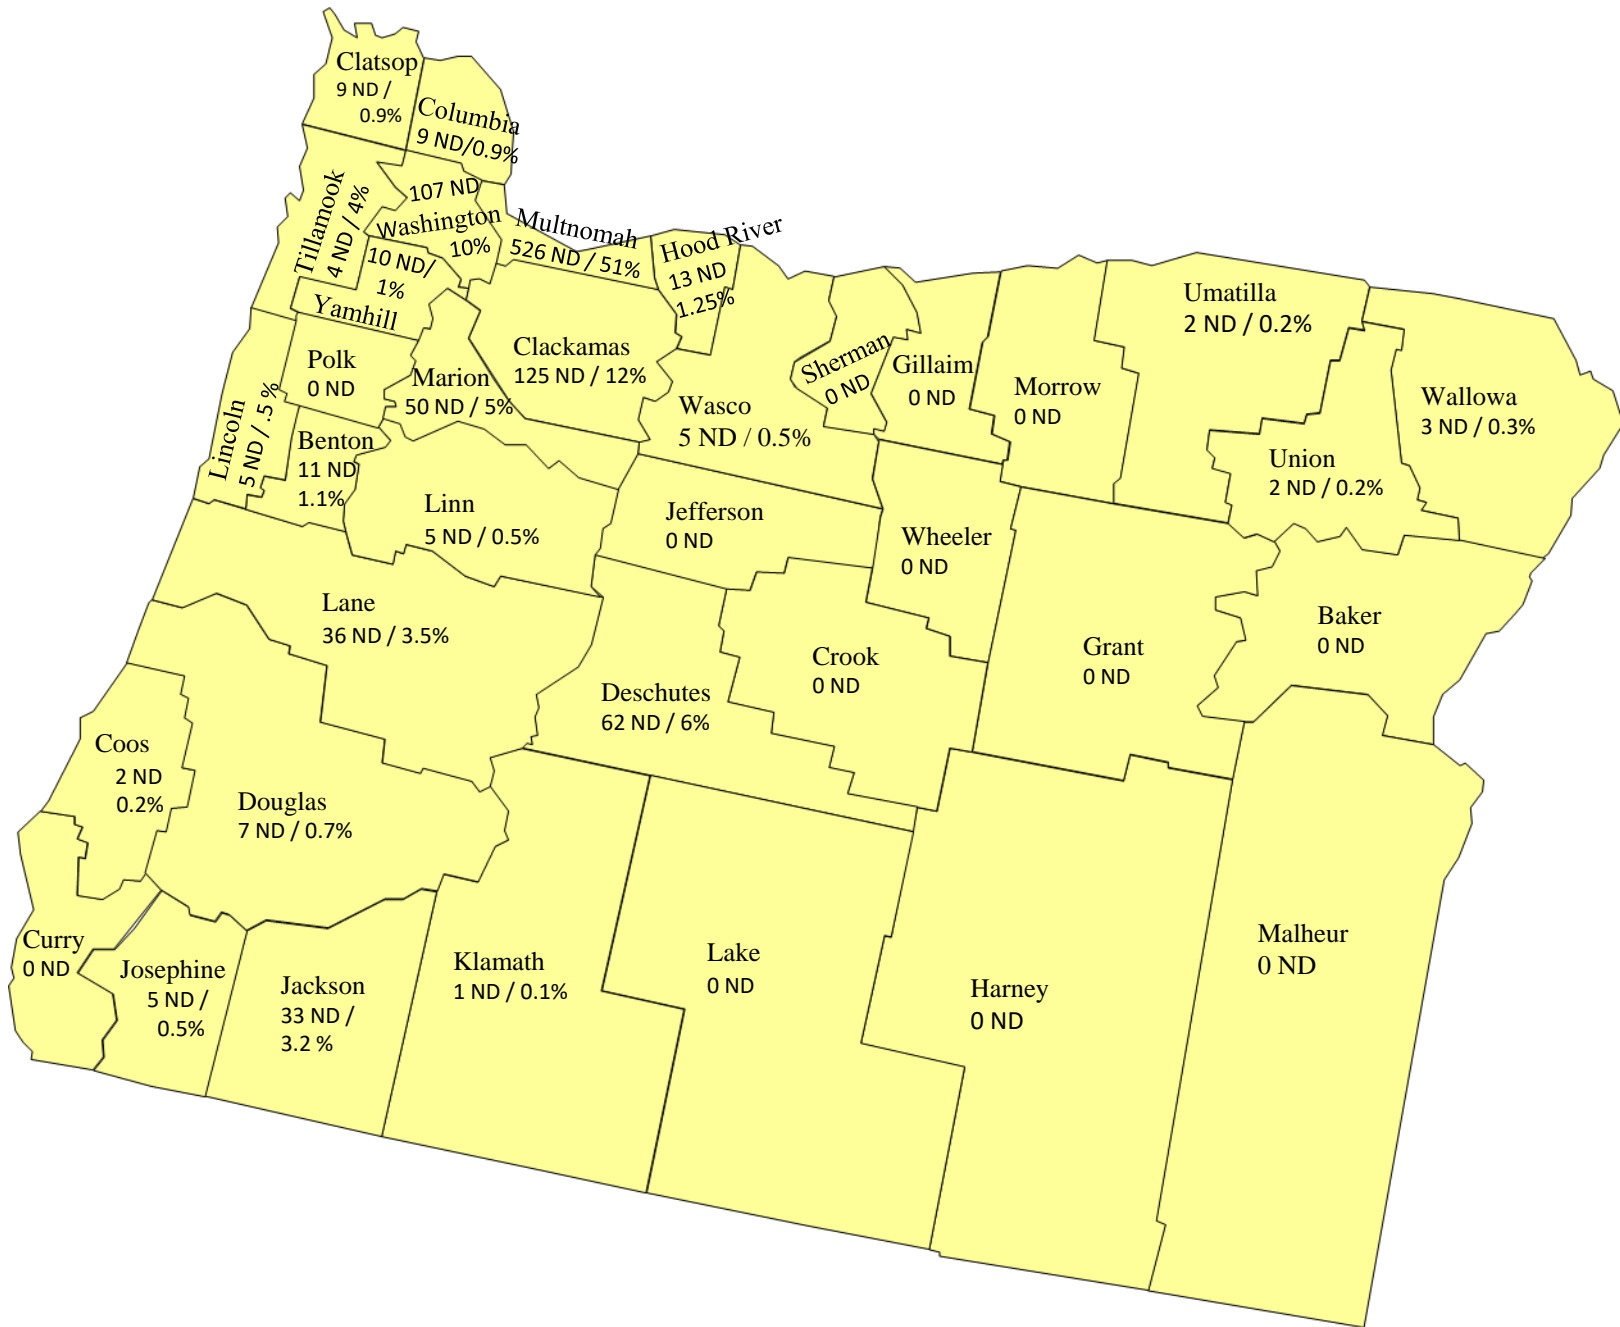

The committee may also find the following information gathered by the OHA Office of Health Analytics regarding Oregon's licensed health care workforce helpful:

Please do not hesitate to reach out to me with additional comments or questions.

Sincerely,

Mary-Beth Baptista, JD, Executive Director
