REVENUE: No revenue impact

FISCAL: Fiscal impact issued

ISSUES DISCUSSED:

- Facilities needs at Southern Coos Hospital and Health Center

EFFECT OF AMENDMENT:

No amendment.

BACKGROUND:

The Southern Coos Hospital and Health Care Center ([link to website](#)) is a small, rural hospital owned and operated by the Southern Coos Health District and located in Bandon, Oregon. Currently licensed for 21 beds, the hospital was granted Critical Access Hospital status in November of 2000 while maintaining its designation as a full-service, general acute hospital.

Senate Bill 829 appropriates \$250,000 to Southern Coos Hospital and Health Care Center for engineering costs related to facility expansion.
