RE: Correction to Educator Advancement Council's Presentation

Co-Chair Frederick, Co-Chair McLain, and Members of the Joint Subcommittee On Ways and Means Subcommittee On Education,

Thank you so much for the opportunity to provide information about the Educator Advancement Council. In reviewing the presentation we realized we misstated a portion of the presentation in regards to our slides 131-132. In alignment with the Governor's recommended budget we are supportive of the 12 limited duration positions in 23-25 biennium to continue to build a comprehensive professional learning system. We are not seeking the positions as permanent.

We are more than happy to continue providing information to you on our work and look forward to our continued partnership on behalf of all Oregon students. Please do not hesitate to reach out to me if you need further clarification.

With gratitude,
Kai Turner
