EFFECT OF AMENDMENT:

-1 Replaces the measure. Defines teacher candidate as a candidate for any TSPC-licensed profession except administrators. Increases amount of scholarship to \$12,000 annually.

BACKGROUND:

In 2017, the legislature enacted Senate Bill 182, establishing the Educator Advancement Council (EAC) under an intergovernmental agreement and establishing the Oregon Teacher Scholars Program (OTSP). Currently, OTSP provides scholarships in the amount of \$10,000 for culturally and linguistically diverse teacher candidates to use at approved educator preparation providers. Scholarship recipients may receive funding for up to two years.

House Bill 3178 expands the amount awarded to \$12,000 annually for certain scholarship recipients.
