Ladder of Assistance

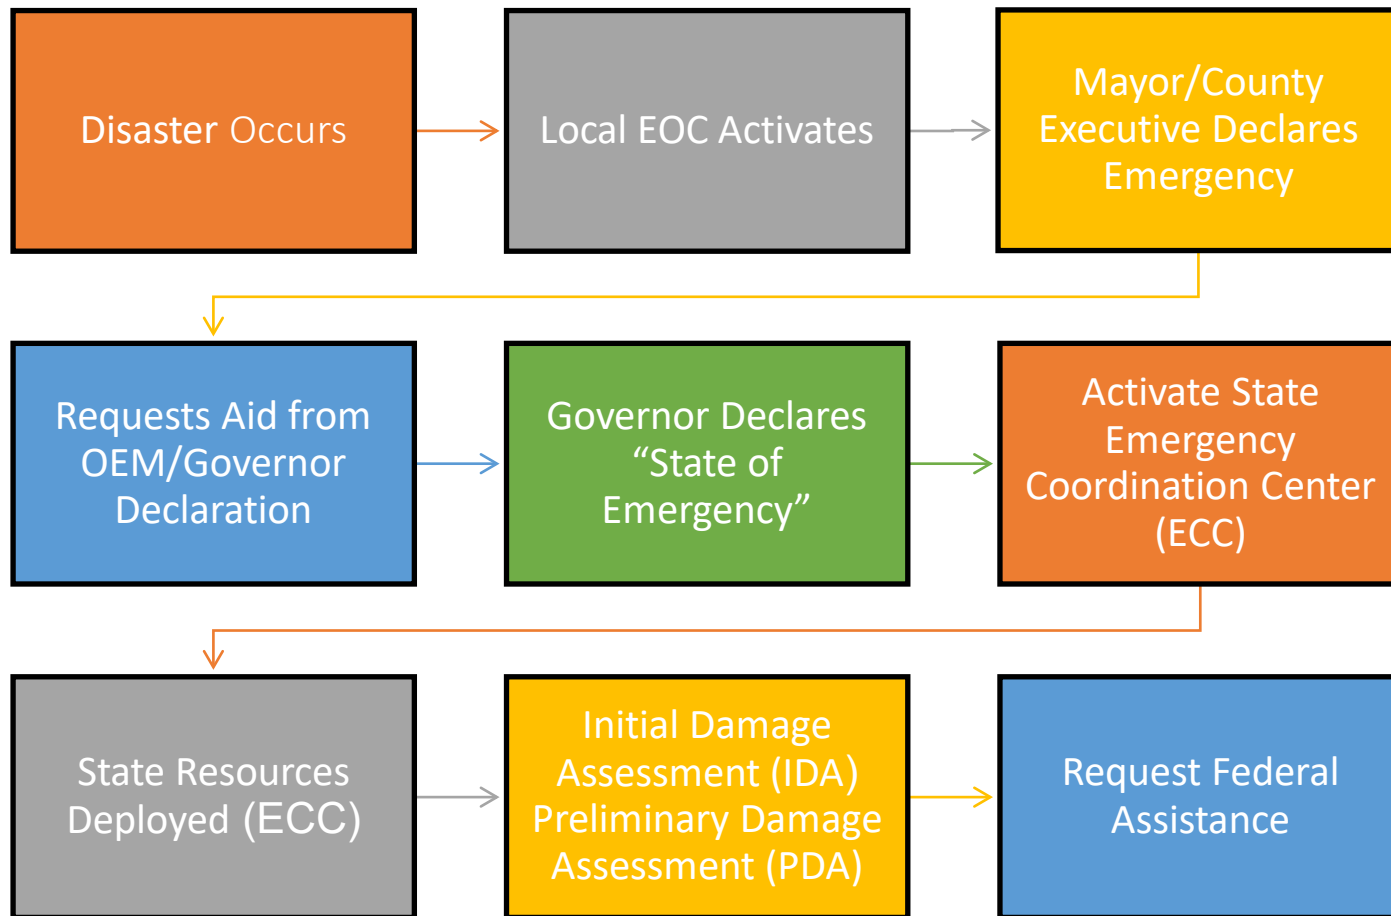

Disasters Begin and End Locally

- **Under-resourced local jurisdictions** need tools and assets to better support their communities through recovery.
- **State coordination** is designed to assist – *not replace* - local recovery efforts.
- **Recovery operations** must include direct resources to communities.
- **Response operations** take days to weeks; recovery operations take months to years.

Disaster Declarations

Disaster Declarations

- **Divert agency funds** appropriated for other purposes.
- **Authorize** activation of plans and agreements.
- **Provide** certain legal protections and waivers.
- **Inform** the public.
- **Do not** provide additional funding.
