Analysis:

HB 2613 appropriates \$30 million General Fund to the Department of Environmental Quality (DEQ) for deposit into the Zero-Emission Incentive Fund. Moneys in this fund are used to provide zero-emission and electric vehicle rebates. The measure declares an emergency and takes effect on passage.

DEQ has existing staff and infrastructure to disburse these funds. DEQ will need additional Other Funds expenditure limitation to spend moneys deposited into the Zero-Emission Incentive Fund.
