BACKGROUND:

Veteran's Day is a holiday honoring all Veterans for their historical and present-day sacrifices in times of war and peace. Memorial Day commemorates individuals who sacrificed their lives while serving in the United States Armed Forces.

In addition to Veterans Day and Memorial Day, Oregon has honored the historical and present-day service and sacrifice of Veterans through additional legally designated, commemorative days, including: Oregon POW/MIA Recognition Day; Oregon Purple Heart Recognition Day; Korean War Veterans Honor Day; Welcome Home Vietnam Veterans Day; and Armed Forces Day.

HB 3421 A requires the Director of the Department of Veterans' Affairs to ensure that all state-owned and/or state-maintained veterans' facilities, memorials for honoring veterans, and war memorials are clean and in good condition for Memorial Day, Veterans Day, and commemorative events of these holidays. The measure establishes a minimum 30-day advance notice of commemorative event plans to the Legislative Assembly.
