Measure Description:

Requires every student in kindergarten through grade five, and certain students in grade six, to participate in at least 150 minutes of physical education during each school week for the entire school year. Reduces the physical education requirement for students in grades six through eight from 225 minutes each school week to an average of 150 minutes each school week. Modifies data collection requirement to allow for minutes to be calculated on a weekly basis or an average weekly basis.

Government Unit(s) Affected:

Oregon Department of Education, School Districts

Analysis:

The proposed legislation has been determined to have

MINIMAL EXPENDITURE IMPACT

on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
