

SUBCOMMITTEE RECOMMENDATION

HB 5006 Capital Construction

To: Ways and Means Full Committee
From: Capital Construction Subcommittee
Carrier: Representative Smith

HB 5006 is the budget bill for capital construction projects. The bill establishes authority for the acquisition of land and the planning, design, repair, and construction of projects with costs over \$1 million. Projects are funded with proceeds of bonds authorized in HB 5005, as well as other revenues and federal grants received by agencies.

The Capital Construction Subcommittee recommends total capital construction expenditure limitation for the 2023-25 biennium of \$1.42 billion Other Funds and \$16.8 million Federal Funds. Capital construction expenditure limitation is established for a six-year period. Projects approved in this bill will expire on June 30, 2029. The bill also extends dates and adjusts limitation for previously approved projects.

The budget report provides a detailed list of capital construction project descriptions and recommended amounts.

The Capital Construction Subcommittee recommends HB 5006 be amended by the –3 amendment and be reported out do pass, as amended.
