SB 872 A

Thinning Only

Thinning + Prescribed Fire

No Treatment

AFTERMATH OF THE BOOTLEG FIRE Ecological Forest Restoration in Action: Aerial photography show the effects of the Klamath Tribes restoration prescription and Forest Service prescribed fire of April 2021 after the 2021 Bootleg Fire on the Fremont-Winema National Forest.

© Steve Rondeau, Klamath Tribe, Natural Resources Director.

The Oregon Department of Forestry in collaboration with forest protective associations or other agencies, would expand activities under the Good Neighbor Authority Agreement in federal forests to decrease wildfire risk.
