

Open Government Impact Statement

82nd Oregon Legislative Assembly
2023 Regular Session

Measure: HB 3531

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Cameron D. Miles
Date: 2/28/2023

SUMMARY

Requires owner of public building to periodically conduct inspections and testing of fire dampers, smoke dampers, combination fire and smoke dampers and smoke control systems in public building. Specifies qualifications for inspectors. Requires inspector to issue certificate of compliance if public building complies with applicable standards or to issue deficiency report if public building does not comply. Specifies time period within which public building owner must return public building to compliance.

Punishes violation of Act with civil penalty equivalent to five cents for each square foot of occupied space in public building. Authorizes additional civil penalties for continuing failure to comply.

Takes effect on 91st day following adjournment sine die.
