Total General Fund	\$2,850,000	\$0
Total Fiscal Impact	\$2,850,000	\$0

Analysis:

House Bill 3226 A-engrossed appropriates \$2,850,000 General Fund to the Oregon Department of Education (ODE) in the 2023-25 biennium, which ODE must use to fund regional career and technical education programs provided by the Willamette Career Academy (WCA). The measure takes effect on passage.

ODE would disburse the General Fund appropriation as a special payment to WCA. The measure would require ODE to develop guidelines and administer the grant to WCA, which would increase the workload of ODE program staff; however, the impact to ODE is anticipated to be minimal and absorbable within ODE’s 2023-25 current service level.

The measure warrants a subsequent referral to the Joint Committee on Ways and Means for consideration of its impact to the State’s General Fund and ODE’s biennial budget.
