Analysis:

This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Economic Development and Small Business to the House Committee on Rules.

The measure allows the Oregon Liquor and Cannabis Commission (OLCC) to adopt rules to regulate the delivery of alcoholic beverages by eligible business, delivery persons and third-party delivery facilitators and to issue permits to third-party delivery facilitators to deliver alcoholic beverages on behalf of a business that holds a license or permit or is an agent with authority to deliver to the final customer at the delivery address. The eligible business or third-party delivery facilitator is required to develop an alcohol delivery training program that addresses forms of acceptable identification, sign of intoxication, and rules relating to the delivery of alcoholic beverages. In addition, the training program must be approved by OLCC. Creates a Class A misdemeanor for a person to engage in third-party facilitator activities without a permit and authorizes OLCC to assess a civil penalty of between \$500 to \$4,000 per violation.

A more complete fiscal analysis on the measure will be prepared as the measure is considered in House Committee on Rules.
