**Measure Description:**

Establishes that perfected and developed water right is not subject to forfeiture if the holder or user of water right used less water on lands to which the right is appurtenant because the holder or user modified irrigation equipment so that the handling facility is capable of handling less than the entire water rate and duty; reduced the rate or duty of water to achieve beneficial use of water on the appurtenant land; and provided information to the Water Resources Department.

**Government Unit(s) Affected:**

Oregon Watershed Enhancement Board, Water Resources Department, Department of Environmental Quality, Department of Fish and Wildlife, Department of Agriculture, Special Districts Association of Oregon, Counties, Cities

**Analysis:**

The proposed legislation has been determined to have

**MINIMAL EXPENDITURE IMPACT**

on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
