Measure Description:

Alters composition of governing board at public universities. Directs governing boards of public universities to adopt policies and procedures that require the governing boards to regularly conduct self-evaluations and provide opportunities to provide written input from the university community or public testimony evaluating the work of the boards. Requires public universities to report to interim legislative committees related to higher education by July 2 of each year detailing the degree to which they have complied with the measure’s requirements.

Government Unit(s) Affected:

Higher Education Coordinating Commission, Public Universities, Office of the Governor

Analysis:

The proposed legislation has been determined to have

MINIMAL EXPENDITURE IMPACT

on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
