Summary of Revenue Changes

The Office of the Governor relies on a combination of revenues from the General Fund, Lottery Funds, and Other Funds. General Fund is the primary funding source for the Office. Lottery Funds support Regional Solutions program. Other Funds are primarily from state agency assessments, which support the Business Equity program. Additional Other Funds revenues, which fund the Arrest and Return program, are from restitution from offenders and indirect Federal Funds.

Summary of General Government Subcommittee Action

The Subcommittee recommended a budget of \$30,718,180 total funds and 67 positions (67.00 FTE) for the 2023-25 biennium. This is a 5.7 percent increase from the 2021-23 Legislatively Approved Budget. The recommended budget provides funding to continue current programs and services and provides additional resources for staff in key policy areas of Housing and Homelessness and Behavioral Health, and also continues the State Wildfire Programs Director position, which was initially funded through Senate Bill 762 in the 2021 Legislative Session. Additionally, the recommended budget increases assumed vacancy savings.

The recommended budget includes the following packages:

Package 090, Analyst Adjustments. This package adds three permanent full-time positions funded with General Fund: a Deputy Housing Advisor, Deputy Behavioral Health Advisor, and continues the State Wildfire Programs Director. Additionally, this package increases vacancy savings to five percent of Salaries and Wages for positions supported by General Fund or Lottery Funds.

Package 100, Cultural Change Position to DAS. This package transfers the Director of Affirmative Action to the Department of Administrative Services (DAS) Cultural Change Office. During the 2021 Legislative Session, the Chief Cultural Change Office was established within DAS and over the last two years, the Director of Affirmative Action has reported to the Chief Cultural Change Officer. The position is already funded through a statewide assessment, which is charged by the DAS the Chief Human Resource Office and transferred to the Office of the Governor.
