House Bill 2665 requires the Health Licensing Office (HLO) within the Oregon Health Authority’s (OHA) Public Health Division to establish a process to receive and investigate complaints regarding temporary staffing agencies, requires temporary staffing agencies to ensure personnel meet certain requirements, and directs OHA to establish maximum rates that temporary staffing agencies may charge. The bill also directs OHA to establish a process for granting an emergency waiver from maximum rates and clarifies that requests for an emergency waiver are automatically approved and issued upon submission to OHA until any processing and waiver determination are completed.
