

Open Government Impact Statement

82nd Oregon Legislative Assembly
2023 Regular Session

Measure: SB 678 - A

Only impacts on Original or Engrossed
Versions are Considered Official

Prepared by: Dexter A. Johnson
Date: 6/22/2023

SUMMARY

Establishes state policy that meaningful share of benefits from offshore wind energy development go to local and regional communities, ecosystems and environments and economies and that interconnection of offshore energy projects be carried out in manner that promotes electric grid reliability and resilience. Establishes state policy to support engagement between offshore wind developers and communities, to minimize adverse effects of survey activities while maximizing benefits of offshore wind development and to promote economic diversification and resilience.

Directs Department of Land Conservation and Development to coordinate with agencies, local governments and communities to carry out state policies. Directs department to submit report to interim committees of Legislative Assembly related to energy development by December 31, 2024.

Declares emergency, effective on passage.
