Summary of Revenue Changes

The General Fund appropriations and Lottery Funds adjustments included in SB 5506 are within the level of resources projected in the May 2023 state economic and revenue forecast published by the Department of Administrative Services, Office of Economic Development. Other Funds expenditure limitations are adjusted to support capital projects funded with bond proceeds; satisfy debt service obligations; make payments from statutory accounts capitalized with General Fund or other revenue sources; expend American Rescue Plan Act (ARPA) State Fiscal Recovery Funds carried over from the 2021-23 biennium; rebalance the level of revenues dedicated for the Oregon Health Plan; and make other expenditures for agencies that rely on Other Funds revenue, within forecasted amounts. The measure increases Federal Funds expenditure limitations to account for federal Medicaid match; transfer ARPA Capital Projects Funds from the Department of Administrative Services to the Oregon Business Development Department; and recognize legislatively approved federal grants.

Summary of Capital Construction Subcommittee Action

SB 5506 is an omnibus budget bill that appropriates General Fund to the Emergency Board for general and targeted purposes and makes other adjustments to agency budgets and position authority in the 2023-25 biennium. The measure also includes one adjustment to the 2021-23 budget for the Department of Human Services.

For the 2023-25 biennium, the measure increases General Fund appropriations by \$1,072.2 million, decreases Lottery Funds expenditure limitation by \$13.6 million, increases Other Funds expenditure limitation by \$1,813.2 million, increases Federal Funds expenditure limitation by \$514.6 million, and establishes 144 positions (128.45 FTE). Major adjustments in the measure include:

- \$791.7 million General Fund appropriated to the Emergency Board for general purposes (\$50 million) and special purposes (\$741.7 million)
- \$108.7 million General Fund and \$15.1 million Lottery Funds for capital projects
- \$99.7 million General Fund, not including appropriations to the Emergency Board, for investments that address climate initiatives (\$33.9 million), wildfire (\$22 million), housing (\$21 million), behavioral health (\$17.9 million), and drought-related issues (\$4.9 million)
- \$84.1 million General Fund and \$13.1 million Lottery Funds for debt service related to the issuance of new bonds
- \$20.9 million General Fund in temporary extended support provided through the Department of Human Services for individuals pursuing a case by U.S. Citizenship and Immigration Services
- \$20 million General Fund for public health modernization, which is in addition to an increase of \$30 million General Fund included in the budget bill for the Oregon Health Authority
- \$15 million General Fund in the Department of Early Learning and Care for a cost per case increase for the Employment Related Day Care program
- \$1,147.3 million Other Funds to expend proceeds from the issuance of bonds

The Subcommittee also approved nine budget notes in the Department of Administrative Services, Higher Education Coordinating Commission, Department of Veterans' Affairs, Department of Human Services (two), Department of Fish and Wildlife, Criminal Justice Commission, Department of Justice, and Public Defense Services Commission. The amendment recommended by the Subcommittee includes the legal citations necessary to effectuate the omnibus budget adjustments, which are described in the narrative below.

Emergency Board

The Emergency Board allocates General Fund from the Emergency Fund and provides Lottery Funds, Other Funds, and Federal Funds expenditure limitation to state agencies for unanticipated expenditures when the Legislature is not in session. The Subcommittee recommends a \$50 million General Fund appropriation to the Emergency Board for general purposes.

SB 5506 also establishes 15 special purposes appropriations to the Emergency Board totaling \$741.7 million. Agencies must submit requests to the Emergency Board for the funds to be allocated for the authorized purposes. The General Fund special purposes appropriations include:

- \$330 million for state employee compensation plan changes
- \$120 million for state employee recruitment and retention
- \$75 million for allocation to state agencies for compensation changes driven by collective bargaining for workers who are not state employees
- \$50 million for allocation to the Oregon Business Development Department for the Oregon CHIPS Fund
- \$50 million for changes in Department of Human Services and Oregon Health Authority caseload levels
- \$39 million for long-term rental assistance
- \$35 million for natural disaster prevention, preparedness, response, and recovery
- \$8.9 million for allocation to the Department of Education for providing stipends to licensed educators and classified school employees working in special education during the 2024-25 school year
- \$8 million for allocation to the Department of Early Learning and Care for expanding access to the Employment Related Day Care program
- \$7.6 million for allocation to the Department of State Police for issues related to firearm background checks
- \$6.2 million for expenses related to public defense
- \$5 million for transferring the Public Defense Services Commission to the executive branch
- \$5 million for the unrepresented defendant/persons crisis
- \$1 million for allocation to the Department of Justice for expenses of district attorneys for victim assistance, investigation, temporary staffing, and other one-time, non-routine prosecution expenses related to nonunanimous jury convictions
- \$1 million for nonunanimous jury convictions

Adjustments to 2023-25 Agency Budgets

STATEWIDE ADJUSTMENTS

Statewide adjustments impact agency budgets based on changes to the cost of debt service on existing outstanding bonds, Department of Administrative Services rates and service charges, Attorney General rates, and costs for supporting the Government Ethics Commission and Public Records Advocate. Overall, statewide adjustments result in decreases of \$46.3 million General Fund, \$5.3 million Lottery Funds, \$31.7 million Other Funds, and \$8.9 million Federal Funds. Section 318 of the measure identifies these changes for each agency and the amounts are included in the summary table at the beginning of this report.

ADMINISTRATION

Department of Administrative Services - American Rescue Plan Act

As part of HB Bill 5006 (2021), \$240 million in federal American Rescue Plan Act (ARPA) funds were approved for the Department of Administrative Services (DAS) to distribute in each Senate and House district in the amounts of \$4 million per Senate district and \$2 million per House district, for member-identified projects. After session, a subset of the projects required adjustments to the project or descriptions. The Subcommittee approved the following revisions to the 2021 session member ARPA projects:

Department of Administrative Services

The Subcommittee approved modifying the scope of the \$5 million General Fund grant to the Grande Ronde Hospital Foundation authorized in HB 5202 (2022) from the purchase of hospital equipment to capacity building health initiatives that will further develop and expand care in the community and region. In addition, the Subcommittee approved modifying the eligible uses of the \$7.9 million General Fund grant for the United We Heal Training Trust's Rebuild Child Care Plan approved in HB 5202 (2022) to include child care provider capital grants of up to \$14,000 for in-home providers and up to \$70,000 for child care centers; equipment grants of up to \$3,000 per provider; an accounting shared services pilot program; training, coaching, and mentorship for new providers; sub-awards for developing new black, indigenous, people of color (BIPOC)-focused child care centers; and administrative and operating costs.

As part of the behavioral health package, the Subcommittee approved \$2.9 million General Fund, on a one-time basis, for DAS to reimburse local governments, community mental health programs established under ORS 430.620, and providers for payment of awards, settlements and expenses that are: 1) incurred in civil actions arising out of the provision of services pursuant to ORS 161.365 and 161.370; 2) become payable on or after the effective date of this 2023 Act; and 3) exceed insurance coverage available to the local government, community mental health program, or provider.

An additional part of the behavioral health package is a one-time General Fund appropriation of \$100,000 to DAS to collaborate with county governments and community mental health programs established under ORS 430.620 to study barriers that prevent local governments, community mental health programs and providers from obtaining insurance coverage for liability arising out of the provision of services pursuant to ORS 161.365 and 161.370.

BUDGET NOTE

By February 1, 2024, the Department of Administrative Services shall submit a report to the Joint Committee on Ways and Means and an appropriate committee or interim committee of the Legislative Assembly with recommended solutions and a timeline for how to insure against liability arising out of the provision of services pursuant to ORS 161.365 and 161.370 for the purposes of community restoration or to restore fitness to proceed, or other behavioral health services required under a court order. The recommended solutions may include establishing an insurance pool for counties, community mental health programs and providers.

The budget includes a General Fund appropriation of \$832,000 to DAS for the payment of legal services incurred as a result of SB 1584 (2022) and billed by the Department of Justice utilizing the 2023-25 Attorney General rate. An appropriation of \$4 million General Fund is for payment of court-awarded compensation, reimbursement of reasonable attorney fees, and other costs associated with wrongful conviction claims. SB 1584 (2022) created a procedure for filing a petition for compensation for wrongful conviction and establishes criteria to file a claim against the State of Oregon to receive compensation at a statutorily set rate for every year spent in prison for wrongful conviction.

The Subcommittee approved a one-time General Fund appropriation of \$2.4 million for deposit into the Universal Representation Fund, and a corresponding one-time increase of \$2.4 million Other Funds expenditure limitation for disbursement from the Fund to Oregon Worker Relief, for legal services through the Universal Representation Program. The measure includes an increase of \$167,008 General Fund to support a permanent full-time Operations and Policy Analyst 2 position (0.75 FTE) in the DAS Chief Financial Office for grant administration due to the cumulative impact of legislation appropriating funds to the Department to distribute as grants to other entities. The Subcommittee also approved a one-time General Fund appropriation of \$300,000 to DAS Enterprise Asset Management to contract for an independent audit of land purchases by the Oregon Liquor and Cannabis Commission from fiscal years 2019 through 2023.

Also included is a \$537,447 increase in Other Funds expenditure limitation and authorization for three Payroll Analyst positions (3.00 FTE) for DAS Enterprise Goods and Services to provide Shared Financial Services with staffing resources to address increasing workload from new client agencies.

To provide temporary financial assistance to agricultural workers who lose work or wages because of extreme heat or smoke, a one-time \$1 million General Fund appropriation is included for the Oregon Worker Relief Climate Change Fund. Oregon Worker Relief is required to report quarterly to DAS on the expenditure of funds.

In addition, a \$250,000 General Fund appropriation is approved on a one-time basis for Home Share Oregon to provide grants to individuals participating in the home-sharing program to expand access to affordable housing.

The measure includes a one-time \$1 million General Fund appropriation for DAS to distribute to the Willamette Career Academy to fund regional career and technical education programs provided by the Academy. The Subcommittee also approved an increase in Federal Funds expenditure limitation of \$156.8 million for the purpose of transferring available American Rescue Plan Act (ARPA) Capital Projects Funds to the Oregon Business Development Department for broadband infrastructure programs.

An increase of \$508,034 Other Funds is included for debt service costs associated with the repayment of General Obligation bond proceeds approved in HB 5005 (2023) that will be issued before the end of the biennium to support DAS projects; an additional increase of \$50,000 Other Funds is included for the cost of issuance of the bonds. Public Employees Retirement System

The Subcommittee approved a Lottery Funds expenditure limitation increase of \$7.3 million for the allocation of net sports betting revenue dedicated to the Employer Incentive Fund (EIF) to reconcile to the May 2023 Department of Administrative Services - Office of Economic Analysis revenue forecast. With this adjustment, the Public Employees Retirement System's Lottery Funds total is \$28.5 million, which is sufficient for another EIF application period during the 2023-25 biennium.

Department of Revenue

The Subcommittee approved a one-time increase of \$14 million Other Funds for the Department of Revenue (DOR) to spend Article XI-Q bond proceeds for Phase 2 of the Electronic Valuation Information System (ELVIS) project. The ELVIS project replaces a 20-plus year-old system for the Property Tax Division's assessment and valuation programs. Phase 1, completed in 2021-23, addressed DOR's central assessment work for communications, transportation, and utility company properties. Phase 2 is directed at the appraisal of large industrial properties with over \$1 million of machinery and equipment which DOR is required to appraise. Related to the ELVIS project, the Subcommittee also approved increases of \$265,000 Other Funds for the cost of issuance for the Article XI-Q bonds, approximately \$2.4 million General Fund for 2023-25 debt service on those bonds, and \$100,000 General Fund for system training.

An increase of \$1.2 million General Fund, \$81,129 Other Funds, and eight permanent positions (5.66 FTE) are also included for implementing HB 3235 (2023), which establishes a new refundable \$1,000 tax credit for personal income tax returns for filers with a dependent under the age of six years old. The positions approved are one Operations and Policy Analyst 2 for outreach and education, four Public Service Representative 3 positions to respond to taxpayer questions and inquiries, one Revenue Supervisor 2 to maintain supervisor to staff ratios, and two Administrative Specialists to validate credit compliance on tax returns. Funding is also available for changes to the agency's information systems to implement the tax credit.

Secretary of State

The Subcommittee approved a \$538,735 Other Funds expenditure limitation increase and the establishment of two permanent full-time positions (2.00 FTE) to support the operations of the Corporation Division. An Operations and Policy Analyst 4 position is established to ensure the Division's forms are available online. Currently, over 20 forms are frequently used by customers that are not available online. An Operations and Policy Analyst 3 position is established to use data from critical functions, such as business registrations and Uniform Commercial Code filings, to make recommendations designed to enhance the Division's activity forecasting, use of resources, and better manage risk.

Increases totaling \$73,319 General Fund and \$174,962 Other Funds expenditure limitation are included to accommodate changes to the compensation plans for management positions. While most of the Executive Branch had adopted these comprehensive changes to the classifications of management positions earlier in the biennium, the Secretary of State did not adopt these changes until late 2022 and therefore the cost of these compensation plan changes was not included in the agency's requested budget. The changes affect nine positions in the Administrative Services, Elections, and Archives Divisions.

The budget also includes an increase of \$325,474 General Fund to continue a full-time limited duration Program Analyst 3 position (1.00 FTE) responsible for staffing the Translation Advisory Council created in HB 3021 (2021). The position will continue and expand upon this work in the 2023-25 biennium.

An ongoing General Fund appropriation of \$215,670 was approved to make permanent the Eastern Oregon apprenticeship support position (1.00 FTE) in the Apprenticeship and Training Division. The measure also includes \$37,407 General Fund for services and supplies in the Commissioner's Office and reestablishes an Administrative Specialist 1 position (1.00 FTE) for the Department of Transportation's Heavy Highway Project. Additionally, the Subcommittee approved the transfer of approximately \$5.1 million Other Funds from the Wage Security Fund to the agency's primary budget structure for Other Funds expenditure limitation to account for where the funds will be expended.

Department of Consumer and Business Services

A one-time General Fund appropriation of \$6.3 million was approved to reauthorize unspent funding for the Department of Consumer and Business Services Fire Hardening Grant Program formed as part of the Wildfire Recovery Initiative adopted in the 2021 session. The Fire Hardening Grant Program incentivizes residential and commercial fire hardening for rebuilding and repairing dwellings and other structures that were destroyed or damaged in the 2020 wildfires. The reauthorized grant funds will be made available to 2021 wildfire survivors in addition to the 2020 survivors. Of the \$6.3 million, \$300,000 is available to counties for program administration.

ECONOMIC AND COMMUNITY DEVELOPMENT

The Subcommittee approved one-time Lottery Funds expenditure limitation of \$220,000, available from the Veterans' Services Fund, for the Department of Veterans' Affairs to study and make recommendations for policy proposals on the tax treatment of military pensions.

BUDGET NOTE

The Oregon Department of Veterans' Affairs shall provide a report detailing its study of the tax treatment of military pensions and recommendations for related policy proposals. The report shall be submitted to the Emergency Board and interim committees of the Legislature related to veterans by September 2024.

Housing and Community Services Department

General Fund in the amount of \$5 million is included to pair with Low Income Fast Track (LIFT) bond proceeds to incentivize homeownership development in rural areas and foster greater density in urban areas. The historical average subsidy for LIFT homes for purchase has been \$70,000 per home. This investment will be able to subsidize approximately 71 new affordable homes that are financed with LIFT Article XI-Q bond proceeds.

Other Funds expenditure limitation is increased by \$50 million related to lottery bonds authorized for issuance to preserve an estimated 1,075 units of existing affordable housing. This can include publicly supported affordable housing, properties with federal project-based rental assistance contracts, rent subsidies, manufactured dwelling parks, and properties undergoing recapitalization. Other Funds expenditure limitation was increased by \$525,793 for cost of issuance associated with these bonds, and Lottery Funds debt service limitation was increased by \$2.5 million as a result of this investment.

The agency's General Fund appropriation for debt service was increased by \$26.5 million to reflect the issuance of \$600 million in general obligation bonds authorized for issuance to finance the creation of affordable housing, and by \$4.3 million for cost of issuance. Of the \$600 million in bonds, \$440 million is associated with the LIFT Housing Program, issued pursuant to Article XI-Q of the Constitution, with \$350 million intended for an estimated 2,953 affordable rental housing units, and \$90 million is set aside for projects to finance home ownership, estimated to fund 383 homes. General Obligation bonds of \$160 million will also finance the construction of an estimated 1,067 units of permanent supportive housing (PSH). Once occupied, each PSH unit requires an ongoing operating subsidy of \$20,000 for wrap around services to households, and \$20,000 for rental assistance, per biennium. Other Funds expenditure limitation was further increased by \$29,000 attributable to debt service adjustments on outstanding bonds.

General Fund in the amount of \$216,349 is appropriated to support a permanent Policy Analyst 3 position (0.88 FTE) to accommodate workload implications relating to HB 2071, which has the effect of expanding the Oregon Affordable Housing Tax Credit to lenders of limited equity homeownership cooperatives.

In addition to the adjustments to HCSD's budget, a \$39 million General Fund special purpose appropriation is made to the Emergency Board for allocation to the HCSD to pay longer-term rental assistance for people rehoused after homelessness. This amount would expand rehousing efforts from the 1,650 households included in HB 5019 and SB 5511, to an additional estimated 700 households statewide, with no less than 25% of the funds set aside for distribution by culturally responsive organizations. HCSD must report to the Emergency Board on details of a framework for longer term rental assistance associated with these initiatives, which includes the following information in each continuum of care: the estimated number of households served; the average amount of rental assistance assumed and the length of time such assistance will be provided; eligibility criteria and subsequent income verification measures undertaken by the service providers administering rental assistance; and associated services and plans to leverage other federal or state benefits with the goal of reducing the amount of or need for longer-term rental assistance services. The department will also provide information on accountability measures for its service delivery partners. Long term rental assistance is not assumed to be part of the calculation for ongoing service needs for the 2025-27 biennium.

Oregon Business Development Department

Increased expenditure limitation of \$50 million Other Funds was approved for OBDD for the expenditure of net lottery revenue bond proceeds deposited in the Child Care Infrastructure Fund established in HB 3005 (2023). The monies in the fund are to be used by the Department to provide loans and grants for allowable costs expended for early child care infrastructure activities. For the administration of the Child care Infrastructure Fund, an increase in Lottery Funds expenditure limitation of \$534,259 and the establishment of three positions (2.13 FTE) was approved. The total funding includes position costs of \$430,159 and program related services and supplies expenditures of \$104,100, including \$25,000 for attorney general costs for contract reviews.

Adjustments to the agency's nonlimited Other Funds expenditures were approved for net lottery revenue bond proceeds of \$30 million to be deposited in the Special Public Works Fund from authorized bond issuance in the upcoming 2023-25 biennium. The Special Public Works Fund provides loan and grant funding to eligible municipalities for planning, design, and construction of essential public infrastructure including utilities and facilities essential to industrial growth, commercial enterprise, and job creation.

The Subcommittee approved an increase of \$10 million Other Funds for the Infrastructure Division to allow the department to provide grants for levee projects from the net proceeds of lottery revenue bonds authorized to be issued and deposited in the fund during the upcoming biennium.

- \$5 million - City of Aumsville Wastewater System Improvements

- \$3.8 million - City of Newport Wastewater Treatment & Conveyance System Improvements

- \$20 million - Port of Coos Bay channel modification

Lottery Funds expenditure limitation is increased by \$4 million for the payment of debt service related to lottery bonds anticipated to be issued in the 2023-25 biennium for capitalization of the Special Public Works Fund and the Child Care Infrastructure Fund. An Other Funds expenditure limitation of \$1.1 million was established for OBDD for the payment of debt service costs from the proceeds of bond reserves, interest earnings, and bond refinancing activities on bonds issued in prior biennia. An increase in Other Funds expenditure limitation of \$1.6 million was also approved for the payment of costs associated with the issuance of lottery revenue bonds associated with specific infrastructure projects, Child Care Infrastructure Fund capitalization, Special Public Works Fund capitalization, and grant funding from the Cultural Resources Economic Fund.

A one-time General Fund appropriation of \$1 million to OBDD is included for a grant to Literary Arts, Inc. to fund a portion of a \$12 million renovation of the organization's newly purchased 14,000 square foot headquarters at 716 S.E. Grand in Portland.

A total of \$15.1 million Lottery Funds was provided to OBDD on a one-time basis for local governments as grants for various infrastructure projects supporting economic development. The individual projects and funding include: City of Estacada New Wastewater Facility project, \$2.4 million; Port of Morrow, South Morrow County Water and Transportation Infrastructure Development, \$2.5 million; Harney County Industrial Improvements: B Street Extension, \$2.25 million; City of Waldport Industrial Park Sewer expansion, \$2.2 million; Wheeler County Industrial Development, \$2.4 million; City of Lowell Water Treatment Plant Upgrades, \$306,420; Illinois Valley Fire District Extension of Water & Sewer Lines, \$984,500; City of Port Orford Water Recycling project, \$750,000; and Tillamook County Shilo Levee Rehabilitation, \$1.3 million.

In anticipation of the issuance of general obligation bonds for the seismic rehabilitation program at OBDD, expenditure limitation of \$150 million Other Funds was included for program grants: \$100 million for public school buildings and \$50 million for emergency services facilities. An increase in expenditure limitation of \$1.5 million was approved for the payment of costs associated with the issuance of the bonds. In addition, the Subcommittee approved an

increase in the General Fund appropriation to OBDD in the amount of \$12.6 million for the payment of debt service obligations related to the issuance of bonds for the seismic rehabilitation program.

The measure also includes several technical adjustments to OBDD's budget. First, expenditure limitation of \$287,800 Other Funds which was established in error for the transfer of American Rescue Plan Act State Fiscal Recovery Funds is reduced. This is offset by an increase in the agency's general Other Funds appropriation in the same amount.

Other Funds expenditure limitation of \$166,476 and authority for three positions (0.88 FTE) are transferred from the Business, Innovation, and Trade Division to the Operations Division where the positions were intended to be budgeted. The offsetting adjustments net to zero agencywide.

A technical adjustment is included to resolve statutory expenditure limitation conflicts between Other Funds expenditure limitation from the University Innovation Research Fund that arose between SB 4 (2023) and SB 5524 (2023), the agency's budget bill, with no net change in overall expenditure limitation from the fund. The expenditure limitation from the fund provided in SB 4 is reduced by \$10 million and the expenditure limitation associated with the fund in SB 5524 is increased by \$10 million.

The measure includes another technical adjustment to resolve conflicts between Lottery Funds expenditure limitation supporting Small Business Development Centers that arose between HB 3410 (2023) and SB 5524 (2023) with no net change in overall expenditure limitation or program support. The expenditure limitation from the fund provided in HB 3410 is reduced by \$3 million and the expenditure limitation supporting Small Business Development Centers in SB 5524 is increased by \$3 million.

An adjustment is made to correct an error in OBDD's primary budget bill, SB 5524. This change reduces expenditure limitations from the Broadband Fund as provided in section 7 of the agency's budget bill related to American Rescue Plan Act (ARPA) Capital Projects Funds and includes language that appropriately provides expenditure limitation for only the portions in the Broadband Fund that are from ARPA Capital Projects revenue, as multiple sources of revenue are comingled in the fund. The revised language also updates the amount of expenditure limitation to reflect the total amount of ARPA Capital Projects Funds anticipated to be transferred by the Department of Administrative Services in the upcoming biennium, as the funding that was anticipated to be transferred in the prior biennium was not transferred due to the statutorily defined uses of funds deposited in the Broadband Fund being in conflict with federal guidance on the expenditure of the ARPA Capital Projects monies. These conflicts are anticipated to be resolved with the adoption of HB 3201 (2023) which contains provisions aligning the stated uses of the fund with federal guidance.

Oregon Liquor and Cannabis Commission

Two positions (1.76 FTE) and \$496,133 Other Funds expenditure limitation are added to the Oregon Liquor and Cannabis Commission (OLCC) budget to improve information technology security and data privacy. An Information Specialist 8 will monitor and remediate threats to OLCC systems, networks and devices, and a Principle Executive Manager D position will develop systems, policies and procedures to improve security, as well as coordinate with state and licensee stakeholders who want access to data.

Other Funds expenditure limitation in the amount of \$16.5 million is included for bonds reauthorized for the OLCC's information technology systems for the warehouse management system, and licensing and enforcement systems. The total approved project cost is \$27 million, and bonds for this purpose were

approved in the 2021-23 biennium but the entire approved amount was not issued. The \$16.5 million represents the balance of project costs remaining. Cost of issuance on this amount, as well as bonds reauthorized for the liquor warehouse and conveyer system, is \$977,217, and associated debt service for the biennium is \$9.5 million. These bonds are supported by revenue from liquor sales.

EDUCATION

Department of Early Learning and Care

To establish the Imagination Library of Oregon program for providing a free book each month to eligible Oregon children from birth to age five, the Subcommittee approved a General Fund appropriation of \$1.7 million to the Department of Early Learning and Care (DELIC). The Department will contract with an Oregon-based non-profit organization to manage the program.

For DELIC to provide technical assistance to child care providers seeking to access the Child Care Infrastructure Fund (CCIF), the Subcommittee approved \$186,943 General Fund, \$216,168 Federal Funds expenditure limitation, and two positions (1.75 FTE) to design, coordinate and implement the CCIF technical assistance program, focused on ensuring that child care providers – particularly those who historically have not had access to funding – can access and navigate the CCIF administered by the Oregon Business Development Department. For grants to nonprofit entities that have experience in providing technical assistance to child care providers, the Subcommittee approved an appropriation of \$5 million General Fund to the Department. The grant program is intended to support child care business owners as they navigate local county/city zoning requirements related to child care, and to provide resources specifically to ensure that the nine federally recognized Tribes within Oregon’s borders can navigate the system with their sovereignty in mind.

The Employment Related Day Care program provides consistent, quality child care to eligible low-income families while they are working or attending school. To improve the cost per case rate paid to child care providers in this program, the Subcommittee approved \$15 million General Fund.

The Subcommittee approved \$401,243 General Fund and \$1.6 million Federal Funds expenditure limitation to create two new Investigations Specialist positions (1.84 FTE) to improve agency response to complaints; convert three limited duration Compliance Specialist 2 positions (3.00 FTE) to permanent positions; convert one limited duration Program Analyst 4 position (1.00 FTE) to permanent in the Baby Promise program; and convert one limited-duration Program Analyst 4 position (1.00 FTE) to permanent in the Spark quality recognition and improvement program.

The Subcommittee approved \$559,094 Other Funds expenditure limitation and the establishment of one Business Analyst (ISS7) position (0.96 FTE) and one Project Manager 3 position (0.96 FTE) to develop the business case and artifacts required by the Stage Gate process to start a project to replace the State School Fund Information Technology System.

In 2022, the Educator Advancement Council began development of a comprehensive adult professional learning system for educators. To bring the system to scale statewide and support its continued development for and use by educators, the Subcommittee approved \$4.8 million Other Funds expenditure limitation and the establishment of 10 permanent positions (10.00 FTE). This amount includes \$2 million for procurement of an online learning platform.

Funding for the purchase of the online learning platform is provided on a one-time basis in the 2023-25 biennium; any future costs related to licensing and maintenance of this system are assumed to be ongoing.

The Subcommittee approved an increase in Other Funds expenditure limitation for the High School Graduation and College and Career Readiness Fund of \$14.7 million. The source of Other Funds is the Statewide Education Initiatives Account of the Fund for Student Success.

To increase the grants that may be awarded through this plan, the Subcommittee approved an increase in Other Funds expenditure limitation of \$5 million on an ongoing basis. The source of Other Funds is the Statewide Education Initiatives Account of the Fund for Student Success.

To support school districts in teaching migrant students and English Language Learners and improving their educational success in Oregon schools, the Subcommittee approved \$748,833 Other Funds expenditure limitation, \$1.5 million Federal Funds expenditure limitation, and the establishment of eight permanent positions (7.68 FTE) for the Department of Education to create a new migrant and multilingual education team. The source of Other Funds is the Statewide Education Initiatives Account of the Fund for Student Success; the source of Federal Funds is federal COVID-19 relief funding from the Elementary and Secondary School Emergency Relief program, available on a one-time basis in the 2023-25 biennium.

The Subcommittee approved \$100 million Other Funds expenditure limitation for the Oregon School Capital Improvement Matching program. The proceeds of the sale of Article XI-P general obligation bonds authorized in HB 5005 (2023) will be used for grants to school districts that can match the grant with proceeds of locally issued bonds for the construction and improvement of school district buildings and property.

The Subcommittee approved \$15 million Other Funds expenditure limitation for lottery bond proceeds authorized in HB 5030 (2023) for deposit into the Connecting Oregon School Fund (COSF) for expanding internet connectivity in schools and maximizing the use of available federal resources. The agency will use COSF to provide state grants to school districts, education service districts, and public charter schools that are successful in applying for federal E-rate funding from the Universal Service Administrative Company (USAC) for special construction projects. These projects will provide new or improved existing internet connectivity for schools in which the federal E-Rate funding would typically provide between 60-80% of project costs. ODE will provide state grants for up to 10% of project costs which will leverage an additional matching federal contribution, which may enable sufficient funding to pay for the entire cost of the project. State funding will be allocated through a formula that prioritizes schools based on income levels; rural and remote areas of the state; and the current type of internet connectivity and download speeds.

A total of \$1.1 million Other Funds expenditure limitation was approved for the cost of issuance of general obligation bonds (HB 5005) and lottery bonds (HB 5030). These include the costs for bonds issued for the Oregon School Capital Improvement Matching program (Article XI-P bonds), projects for the Oregon School for the Deaf (Article XI-Q bonds) and Broadband Connecting Oregon Schools grants (lottery bonds). An Other Funds expenditure limitation of approximately \$8 million was established for debt service on bonds sold in prior periods.

The Subcommittee approved an increase of \$42.4 million General Fund and a reduction of \$42.4 million Lottery Funds in the State School Fund. This change reflects the final balance of available Lottery Funds usage across the state budget and maintains the total State School Fund budget of \$10.2 billion for the 2023-25 biennium.

The East Multnomah Outreach, Prevention, and Intervention program, operated by the City of Gresham, provides culturally responsive outreach, prevention, and intervention programs to prevent youth violence and to empower youth to be successful members of the community. To continue state support for this program, the Subcommittee approved \$2 million General Fund on a one-time basis for the 2023-25 biennium.

The Subcommittee approved an increase of \$146.3 million Other Funds expenditure limitation for the Student Investment Account in the Fund for Student Success. This increase brings expenditure limitation in this account to 50% of the estimated revenues available for distribution in the Fund for Student Success for 2023-25.

Higher Education Coordinating Commission

The Subcommittee approved a one-time \$100,000 General Fund appropriation for the Higher Education Coordinating Commission (HECC) to distribute to the Oregon State University Institute of Natural Resources to convene a statewide water conference to facilitate learning and relationship-building between sectors, identify research needs, and develop a statewide research and learning agenda. The program was established in SB 762 (2021) to reduce the risk of wildfires, assist in the creation of fire-adapted communities, and engage youth and young adults in workforce training. In addition, the Subcommittee approved a corresponding Other Funds expenditure limitation increase of \$10 million for expenditures from the Oregon Conservation Corps Fund.

The Subcommittee approved a one-time General Fund appropriation of \$135,000 for Oregon State University's Southern Oregon Research Extension Center to partner with growers in affected areas to increase capacity to monitor, trap, and suppress vine mealybug found in Oregon vineyards.

The measure established three Funds to provide resources to the Center: (1) the Oregon Cybersecurity Center of Excellence Operating Fund; (2) the Oregon Cybersecurity Workforce Development Fund; and (3) the Oregon Cybersecurity Grant Program Fund. The measure provided \$2.5 million General Fund to be deposited into the Operating Fund for startup costs for the Center; \$2.15 million General Fund to be deposited into the Workforce Development Fund to support specified education and training programs; and \$250,000 General Fund for the Grant Program Fund to provide assessment, monitoring, incident response, and competitive grants to government bodies for cybersecurity-related goods and services. After review of HB 2049 (2023), it was determined that Other Funds expenditure limitations are required to spend out of these three Funds. Other Funds expenditure limitation of \$5 million was approved for the second phase of the Financial Management Information System (FAMIS) project. The second phase will include the replacement of two additional legacy information systems: ETPL (Eligible Training Provider List System), and PCSVets (Private Career Schools and Office of Degree Authorization). The project replaces multiple out-of-date existing systems with one IT platform that consolidates HECC's data to provide students and job seekers with better access to assistance, while improving security and reporting functions. This information systems modernization project is financed with the proceeds from the sale of Article XI-Q Bonds. The project has approval for the May 2024 bond sale requiring debt service for 2023-25; the Subcommittee approved \$856,842 General Fund to pay that expense.

HUMAN SERVICES

Commission for the Blind

Oregon Commission for the Blind's information technology (IT) infrastructure update and alignment project was originally approved in the 2019-21 biennium. The goals of the project are to establish a case management system and transfer IT support from a contractor to Department of Administrative Services (DAS) IT services. The measure increases General Fund by \$952,421 to implement the second phase of the project, which includes ongoing maintenance and system support and cloud hosting, and to support the cost of DAS IT helpdesk services and state data center costs. The agency will provide a project status update to the Legislative Fiscal Office, including the projected project completion date, prior to the 2025 legislative session.

The budget increases Federal Funds expenditure limitations for the Commission for the Blind by \$234,260 to fund the upward reclassification 36 rehabilitation instructor and counselor positions to vocational rehabilitation specialist positions. The Department of Administrative Services Chief Human Resources Office conducted a position analysis of the commission's rehabilitation instructors and vocational rehabilitation counselors and determined the work conducted by these positions was consistent with the vocational rehabilitation specialist classification.

Department of Human Services

The Subcommittee approved a General Fund appropriation of \$20.9 million to the Department of Human Services (DHS) to phase out the temporary food and shelter services being provided to 300 individuals pursuing a case by U.S. Citizenship and Immigration Services. The funding includes \$10.8 million to cover food and shelter costs for nine months, during which time DHS will work with Multnomah County and community-based organizations to fully transition these individuals out of short-term shelter and into long-term community-based housing and wrap around services. The appropriation includes \$9.8 million General Fund for Multnomah County to coordinate services and contract with community-based organizations. Also included is \$377,564 for five limited-duration positions (1.90 FTE) in DHS Self-Sufficiency for program administration, including four Public Service Representative 4 positions and one Program Analyst 2 position. The Subcommittee adopted the following related budget note:

BUDGET NOTE

The Department of Human Services is directed to present to the Human Services Subcommittee of the Joint Committee on Ways and Means during the 2024 regular legislative session on (1) the status of efforts to transition the current caseload of 300 individuals (as of June 5, 2023) into

community-based housing and wrap-around services, (2) the number of similarly-situated individuals who have arrived in Oregon in need of like services, and (3) efforts to connect those individuals with community-based organizations and resources.

The budget includes \$6.8 million General Fund and Federal Funds expenditure limitation of \$3.4 million for the Department of Human Services to make permanent a 5% occupancy rate enhancement first approved in 2021-23 due to the COVID-19 pandemic, and to reflect a new methodology for calculating the rates paid to behavior rehabilitation service providers. This new methodology will connect provider payment rates to data from the U.S. Bureau of Labor Statistics and the Consumer Price Index to account for inflation. The funding provided is in addition to the \$2.9 million General Fund included in the Department of Human Services budget bill (HB 5026). A corresponding rate adjustment is supported for behavior rehabilitation services funded in the Oregon Youth Authority's budget.

BUDGET NOTE

The Department of Human Services is directed to conduct a comprehensive rate and wage study across home and community-based service delivery systems, with a focus on providers of in-home and residential care to individuals receiving services through the Office of Developmental Disabilities Services and the Office of Aging and People with Disabilities and provide a written report on the findings and recommendations to the Joint Committee on Ways and Means or Emergency Board no later than September 2024. The report shall provide an analysis of (1) the findings of the wage and rate study; (2) the different required qualifications to provide services in a particular setting; the different service delivery models and service requirements for the service delivery model; and the levels of acuity among recipients of the services provided; and (3) the costs and benefits of recommendations designed to standardize the compensation of direct care workers across programs and service delivery models.

The Subcommittee also approved a one-time General Fund appropriation of \$2.5 million to DHS for assistance to Afghan refugees. SB 5561 (2021 second special session) appropriated \$18.2 million General Fund to DHS on a one-time basis for a 12-month package of support for up to 1,200 Afghan individuals and families paroled into the United States through the U.S. State Department's Afghan Placement Assistance Program, including funds for short-term food and shelter, case management services, rental assistance, culturally specific food assistance and interpretation classes. The \$2.5 million appropriated by the Subcommittee for 2023-25 represents the anticipated unspent amount from the 2021-23 biennium, which the measure disappropriates.

An increase of \$350,000 General Fund is included for the Intellectual and Developmental Disabilities program to support legal reviews of guardianship pleadings through Disability Rights Oregon. The Subcommittee also approved Other Funds expenditure limitation of \$264,000 for DHS debt service payments.

The measure also includes a General Fund appropriation of \$3.6 million for implementation of SB 104 (2023) related to agency with choice services for individuals served by the DHS Office of Developmental Disabilities Services. This increase serves as a necessary correction to the fiscal amendment adopted for SB 104 and does not represent additional program funding.

Long Term Care Ombudsman

The Subcommittee approved \$300,000 in Other Funds expenditure limitation for the Long Term Care Ombudsman to administer a grant from Asante Hospital Systems to increase access to public guardian services.

Oregon Health Authority

The Subcommittee approved a \$20 million General Fund increase in the Oregon Health Authority (OHA) for local community investment in public health modernization. Included are 10 permanent full-time positions (6.66 FTE) to assist in administering the funds. This increase adds to a \$30 million General Fund increase in OHA's budget bill (SB 5525) for public health modernization.

The budget includes a General Fund decrease of \$98.3 million to recognize savings to the Oregon Health Plan based on greater than anticipated revenue forecasted from the intergovernmental transfer agreement with Oregon Health and Science University. Also included are increases of \$241 million Other Funds and \$344.4 million Federal Funds to utilize the federal match associated with the additional revenue.

Insurer's tax revenue collected by the Department of Consumer and Business Services exceeded prior forecasts, requiring an Other Funds expenditure limitation increase for OHA of \$34.9 million as the funds are transferred to support the Oregon Health Plan, while allowing for a \$34.9 million decrease to reflect the savings to the General Fund.

OHA's primary budget bill (SB 5525) includes a General Fund investment for expansion of the 9-8-8 system and mobile crisis response. Upon the passage of HB 2757 (2023), a new tax on telephone lines of \$0.40/line will generate revenue for the program. The new revenue reflects an increase of \$32.9 million Other Funds. The original \$39.6 million General Fund investment included in SB 5525 is decreased in SB 5506 by \$26.4 million to reflect the savings resulting from the new tax, while leaving some of the original investment in place to accommodate program start-up and account for the timing of new tax revenue that will not be available until April 2024.

The budget includes a \$2 million General Fund investment to supplement health care interpreter services in the Central Services Division.

The Subcommittee approved a \$1.5 million General Fund investment for the Prescription Drug Monitoring Program (PDMP) integration with provider electronic health records systems for the 2023-25 biennium. The PDMP integrates information collected by the Public Health Division and makes it available at the point of care by physicians to ensure that patients are not receiving unnecessary prescriptions for opioids and other narcotics, helping to prevent drug addiction and overdoses.

To recognize, support, and promote initiatives that contribute to the advancement of equity and inclusion at the Oregon State Hospital, the budget includes \$1.9 million General Fund. This funding will support the establishment of 10 positions (7.50 FTE) for training; cultural linguistic, and identity-affirming needs and supports; and other activities to support an inclusive and welcoming culture. Also included are increases of \$426,651 General Fund and \$103,882 Other Funds, a reduction of \$97,153 Federal Funds, the abolishment of six positions (6.00 FTE) across multiple divisions, and the creation of six positions (5.01 FTE) to realign diversity, equity, and inclusion efforts agencywide.

The budget includes a one-time increase of \$4.9 million General Fund, \$8,631 Other Funds, \$1.6 million Federal Funds, and seven positions (5.25 FTE) to improve mental health programs by strategically investing in jail diversion and civil commitment programs.

The budget includes \$1.8 million General Fund for debt service on general obligation bonds for capital projects approved for the Oregon State Hospital (OSH). The approved projects include \$5 million to remodel a single unit at the Junction City facility to accommodate a complex patient and \$3 million to

replace the programmable logic controller (PLC) information technology system. To pay for the cost of issuance of the bonds, an increase of \$140,000 Other Funds is included. The Subcommittee also approved \$50 million in Other Funds expenditure limitation for lottery bond proceeds to build new community acute psychiatric facility capacity, and \$525,793 Other Funds for cost of issuance. An increase of \$2.5 million Lottery Funds is also included for the debt service on lottery bond sales, as well as an increase of \$27,000 in Other Funds expenditure limitation for debt service payments on existing bonds.

The agreement includes a \$1.8 million payment for 2021-23 and a \$3.6 million payment for 2023-25, and the amount available to OHA is net of \$1 million in legal cost recovery for the Department of Justice.

Public Defense Services Commission

The Subcommittee approved, on a one-time basis, a General Fund appropriation of \$1.5 million to the Public Defense Services Commission to contract with Disability Rights Oregon (DRO) for civil court-appointed counsel at state expense for qualified individuals when the estate of the protected person is insufficient to pay the expense of a private counsel (SB 578, 2021). The appropriation provides funding to support for three provider attorneys (\$1.2 million), one provider investigator (\$156,817), and an administrative charge of five percent (\$74,639). Of note is that the Commission has yet to adopt any policies or procedures related this program, including those needed to determine the financial eligibility requirements for participation.

The measure includes a one-time increase of \$1 million Other Funds for the potential receipt from the Criminal Justice Commission of a subgrant from the Edward R. Byrne Memorial Justice Assistance Grant.

The Subcommittee adopted the following budget note related to the Case Financial Management System information technology project:

LEGISLATIVE BRANCH

Legislative Administration Committee

To support the third phase of the Capitol, Accessibility, Maintenance, and Safety (CAMS) project, the budget includes an increase of \$19.1 million General Fund for debt service and \$1.9 million Other Funds for the cost of issuance on \$215 million in general obligation bonds authorized in HB 5005 (2023). CAMS III will continue seismic upgrades and other improvements to the 1938 Capitol rotunda. Added to the project are the replacement of the Capitol's nine elevators, the fire alarm systems in the House and Senate wings and their integration with the new system in the rotunda, and the chamber sound systems, including outdated wiring to member desks on the House floor.

NATURAL RESOURCES

Department of Agriculture

The Subcommittee approved a one-time General Fund appropriation of \$312,100 in the Oregon Department of Agriculture (ODA) to support survey and treatment of the vine mealybug. This pest presents a substantial threat to wine grapes in many production regions worldwide, and it was first identified in Oregon in 2021. Vine mealybug directly impacts vines and fruit and is also a key vector of leafroll virus in grapevines. Both the vine mealybug and leafroll virus cause economic damage in vineyards once established. A monitoring study conducted by ODA in 2022 found that Oregon's vine mealybug population is confined to commercial vineyards within a small area of Jackson County. In a budget note for HB 5002 (2023), ODA has been directed to report to the Legislature during the 2024 legislative session on the status of the agency's surveillance and treatment against the Japanese beetle and other emerging pests, such as the vine mealybug.

The budget also includes a one-time General Fund appropriation of \$1 million to increase funding for the Wolf Depredation Compensation and Financial Assistance Grant Program. This program administers grants to counties that have created and implemented a county wolf depredation compensation program.

Department of Energy

The Subcommittee approved several investments and adjustments for the Oregon Department of Energy (ODOE) related to recommendations from a legislative workgroup on climate and energy issues. Unless otherwise noted, these investments are approved on a one-time basis and include the following:

- \$20 million General Fund for deposit into the Community Renewable Investment Fund, established in HB 2021 (2021), to provide grants for planning and developing projects that advance community renewable energy and energy resilience. Additionally, \$20 million Other Funds expenditure limitation was provided for expenditures from the Fund.
- \$10 million General Fund for deposit into the Rooftop Solar Incentive Fund, established in HB 2618 (2019) for issuance of rebates and administration of the Solar and Storage System Rebate program which incentivizes the purchase, construction or installation of solar electric systems and paired solar and storage systems. Additionally, \$10 million Other Funds expenditure limitation was provided for expenditures from the Fund. The related program sunset has been extended to January 2, 2029, in HB 3049 (2023).
- \$200,000 General Fund for Oregon's share of upfront monies for a proposal to establish a regional hub intended to move towards producing green hydrogen fuels.

- Due to the extension of the Solar and Storage System Rebate program, as well as the Heat Pump Deployment program, the months for seven related limited duration positions have been increased by 4.48 FTE so they may continue to support the programs throughout the 2023-25 biennium. These positions are established in the Department's policy packages 205 and 206. The positions are funded by the programs, and expenditure limitation is already included in the agency's budget. Only a technical adjustment shifting \$900,292 Other Funds expenditure limitation from special payments to personal services is needed.
- \$451,606 General Fund is provided for establishment of a permanent, full-time Business Operations Manager 3 (0.88 FTE) and related services and supplies. This position will provide management, oversight, and support for the various new programs established in ODOE's Energy Development Services division.

Additionally, the budget includes \$513,354 Other Funds expenditure limitation for establishment of a limited duration Procurement and Contracting Specialist 3 (0.88 FTE), a limited duration Human Resources Analyst 2 (0.88 FTE), position related services and supplies, and 12 additional months for an existing Operations and Policy Analyst 2, bringing it to 1.00 FTE. All three positions are in the Administrative Services division. The additional staff capacity is intended to address workload from the cumulative effect of policy bills passed during this legislative session, inclusive of climate initiatives, which approved over \$45 million in various programs and established 19 positions for the Department.

SB 1536 (2022) directs ODOE to complete a cooling study and submit a report to the Legislature no later than September 15th, 2023. The bill provided \$500,000 as a one-time General Fund appropriation for the study. The Subcommittee approves reappropriation of the remaining \$300,000 General Fund that will revert at the end of the 2021-23 biennium. The reappropriation of these funds is necessary to complete the report, which has been contracted through a third party.

Lastly, \$5.1 million Federal Funds expenditure limitation and establishment of one permanent, full-time Economist 4 position (1.00 FTE) is provided in support of the State Energy Program grant, awarded to the Department by the U.S. Department of Energy, and made possible through the Infrastructure Investment and Jobs Act. The position establishment makes permanent an existing limited duration position for delivery of the grant over the performance period, which will be at least five years. The position provides additional support for energy planning, policy, and program development, coupled with education, outreach and technical assistance for Oregonians. ODOE received approval to apply for the grant during the December 2022 meeting of the Emergency Board.

Department of Environmental Quality

The measure includes Other Funds expenditure limitation of \$5 million to expend a portion of the proceeds from \$10 million in general obligation bonds approved through HB 5005 (2023). The bond proceeds will replenish the Orphan Site Account which is used to fund investigations and cleanup at sites where parties who are responsible for the pollution are unknown, unable, or unwilling to perform cleanup at the site. The Orphan Site Account is also used to meet Oregon's obligations at federally funded Superfund sites. Oregon must contribute at least 10% of the Environmental Protection Agency's cleanup costs and pay 100% of long-term maintenance costs at Superfund sites. The Department typically spends the proceeds over two consecutive biennia before making another request for additional Orphan Site bonds. Other Funds expenditure limitation is also increased by \$333,333 for the cost of issuing \$10 million in general obligation bonds in May 2024, and \$1.8 million General Fund is provided for debt service payments.

Interest earnings on general obligation bond proceeds produced \$54,000, which is available to offset General Fund debt service payments. The Subcommittee approved establishment of an Other Funds expenditure limitation of \$54,000 to apply these interest earnings towards debt repayment.

Department of Fish and Wildlife

The Subcommittee approved a one-time General Fund appropriation of \$1 million for the Department of Fish and Wildlife to pay for a third-party assessment of state-owned fish hatcheries. In its 2023-25 request budget, the Department discussed many agency initiatives to prepare for the impacts of climate change and ocean acidification, including initiation of a climate vulnerability assessment of Oregon's fish hatcheries. This investment provides funding to procure an assessment providing fish hatchery information including, but not limited to climate vulnerability. The Subcommittee provided the following instruction to the Department regarding the assessment:

BUDGET NOTE

The Department of Fish and Wildlife is directed to procure a third-party assessment of the operations, sustainability, and climate vulnerability of state-owned fish hatcheries. The department shall present a detailed and thorough report which must, at a minimum, include the following:

- Funding models and financial sustainability of state-owned hatchery operations, including consideration of facility maintenance costs.
- An economic cost-benefit analysis that includes:
 - The total agency costs associated with producing hatchery fish at each facility.
 - The estimated economic benefits associated with production of hatchery fish.
- A summary of how the ecological impacts and benefits of hatchery programs on wild fish are incorporated into federal and state planning and policy making.
- Climate vulnerability for a sample set of state-owned hatcheries. This assessment should include:
 - The projected impact of climate change on the ability of each hatchery to rear and release fish.
 - The likely impact of climate change on the viability of, and need (augmentation and conservation) for hatchery programs.
 - Recommendations to mitigate these impacts through hatchery program changes, such as the species of fish released, and other measures.

During the 2024 legislative session, the Department is directed to provide an update on the status of this report to the Joint Committee on Ways and Means. The Department shall present a completed report during the 2025 session.

The Subcommittee also approved a one-time General Fund appropriation of \$100,000 to pay for anticipated Department of Justice costs related to contested water rights cases and protest resolution. This likely increase in legal expense is related to an agency effort to reduce the backlog of protests concerning water rights and transfers. Additionally, a shift of \$957,216 General Fund from the Fish Division to the Habitat Division rebalances statewide drought package investments approved and funded in the Department's budget bill (SB 5509).

The measure includes a one-time General Fund increase of \$238,271 for the payment of debt service associated with bonds authorized to finance \$2.5 million of capital renewal and improvement projects on non-hatchery related facilities. The Subcommittee also approved \$40,000 Other Funds expenditure limitation for the cost of issuance related to the bonds. The \$2.5 million Other Funds expenditure limitation is provided in the Capital Construction bill (HB 5006).

Other Funds expenditure limitation of \$13.8 million is included to expend lottery bond proceeds authorized to be issued for infrastructure projects improving fish and wildlife passage. Proceeds in the amount of \$8.8 million will be deposited into the Fish Passage Fund (ORS 497.139) for fish passage projects, and proceeds in the amount of \$5 million will be deposited into the Oregon Conservation and Recreation Fund (ORS 496.252) for wildlife passage projects. This investment is included in the statewide drought package. An additional \$181,834 Other Funds expenditure limitation is included for the cost of bond issuance, and due to the sale scheduled in March 2025, debt service costs will not occur during the 2023-25 biennium.

The Subcommittee approved position authority to continue three limited duration positions (3.00 FTE) first approved in 2021-23. Positions include a Facilities Engineer 3 (1.00 FTE), a Construction Project Manager 1 (1.00 FTE), and an Engineering Technician 2 (1.00 FTE). The positions support a capital improvement and renewal project which was approved and financed with \$5 million in Article XI-Q bonds in 2021. Funding for the position comes from the bond proceeds, which have six-year limitation.

Department of Forestry

The Subcommittee established a \$12 million Other Funds expenditure limitation for the Oregon Department of Forestry (ODF) for the purchase of a new multi-mission capable aircraft from the net proceeds of General Obligation bonds anticipated to be issued in the upcoming biennium. The new aircraft is intended to replace the agency's current aircraft that has been in service for 36 years and has been increasingly in need of repairs and is subject to unexpected down time. The aircraft will perform missions that include fire start detection, air attack, large fire direct and logistical support, firefighter transportation, search and rescue, and disaster relief. Agency defined requirements for the new aircraft include twin turbine engines, high fixed wing, type certified at purchase, infrared and night vision equipped (or compatible platform), short take-off and landing performance, minimum 10-passenger capacity, 8,000 foot single-engine service ceiling, cargo rail system, and opening in flight rear cargo door.

Other Funds expenditure limitation increases totaling \$5.1 million for ODF were approved for the expenditure of general obligation bond proceeds for capital improvement projects and bond cost of issuance related to bonds approved for issuance in the upcoming biennium. The agency's General Fund appropriation for debt service is increased by \$1.5 million and debt service expenditure limitation is increased by \$1.1 million Other Funds for the payment of anticipated debt service on bonds approved to be issued in the upcoming biennium for capital improvement projects, the second construction phase of the agency's Toledo facility, and purchase of the new multi-mission aircraft and hanger renovation/replacement.

Additionally, the General Fund appropriation made to ODF for the Fire Protection division is reduced by \$1.9 million to adjust the ongoing budget of the agency due to the decision to not continue the catastrophic fire insurance coverage through Lloyds of London.

Department of Geology and Mineral Industries

In the Department of Geology and Mineral Industries, \$381,097 General Fund and \$37,097 Other Funds supports the establishment of two positions (1.50 FTE) and associated services and supplies to expand the Oregon Mapping Program. This investment was included in the statewide drought package and seeks to create an integrated Oregon Mapping Program through inclusion of a sampling program for water and mineral resources. The two positions include a permanent, full-time Natural Resource Specialist 4 (0.75 FTE) and a permanent, full-time Natural Resource Specialist 2 (0.75 FTE) established in the Geologic Survey and Services division.

Department of Land Conservation and Development

The measure makes a technical adjustment to allow funds appropriated to the Department of Land Conservation and Development (DLCD) in HB 3409 (2023) for the Community Green Infrastructure Grant Program to be deposited in the Community Green Infrastructure Fund established in the same bill. The technical adjustment also includes \$6.5 million in Other Funds expenditure limitation to allow DLCD to expend moneys from the Community Green Infrastructure Fund.

The measure appropriates \$3 million General Fund to DLCD for continued work on climate friendly and equitable communities. Of this funding, a one-time appropriation of \$2.7 million will be used to provide financial assistance to local governments to adopt climate-friendly areas, work on parking reform and management, engage in equitable community engagement, and perform other work related to this program. The remaining \$309,078 General Fund would be used to hire one permanent, full-time Planner 4 position to work on this program.

Department of State Lands

Increased Other Funds expenditure limitation of \$18.8 million was approved for the Department of State Lands for expenditure of monies allocated from the Polychlorinated Biphenyls Remediation and Restitution Account and deposited in the Abandoned and Derelict Vessel Fund established by HB 2914 (2023). This fund was created to address the growing number of vessels that are left without authorization on public or private land, or in state or other waters, often sinking, actively polluting or obstructing a waterway, and possibly endangering life or property.

The Department of State Lands was provided with an increase in expenditure limitation of \$500,000 Federal Funds to expend earmarked grant funding from the U.S. Department of Housing and Urban Development for the planning and initial project costs for redevelopment of Shutters Landing (aka Shutter Creek site) in association with the creation of the Elliott State Research Forest and its related research infrastructure. The total funding earmarked was \$4 million; however, the requested expenditure limitation increase is limited to anticipated expenditures in the upcoming biennium, with expenditure limitation for the remaining amount to be requested in future biennia.

Oregon Watershed Enhancement Board

Increased expenditure limitation of \$4.1 million Other Funds was approved for the Oregon Watershed Enhancement Board for the expenditure of net lottery revenue bond proceeds deposited in the Community Drinking Water Enhancement and Protection Fund, and bond issuance costs. The fund and associated program provide grants to water suppliers and serve rural communities, communities experiencing lower incomes, or in low population areas to protect, restore, or enhance sources of drinking water as established by HB 2010 (2023) as a part of the water and drought package.

Parks and Recreation Department

Increased expenditure limitation of \$10.2 million Other Funds was approved for the Parks and Recreation Department, Community Support and Grants program, for the expenditure of \$10 million in net proceeds from issuance of lottery revenue bonds for the Oregon Main Street program and \$155,705 for costs associated with the issuance of the bonds.

Water Resources Department

A one-time General Fund appropriation of \$100,000 to the Water Resources Department (WRD) was approved for the pass through of funding to Portland State University, Oregon Consensus, to continue current facilitation of the Tribal Water Task Force. This supports engagement between Oregon's nine

federally recognized Tribes and the Water Resources Department on issues related to water supply, watershed management, and water distribution, including matters related to water rights held or claimed by Tribes.

The Subcommittee approved an increase of \$10 million Other Funds expenditure limitation for making grants and loans from lottery bond proceeds deposited into the Water Supply Development Fund established under section 3, chapter 784, Oregon Laws 2013. Water Supply Development grants and loans are made to evaluate, plan, and develop in-stream and out-of-stream water development projects that repair or replace infrastructure to increase the efficiency of water use; provide new or expanded water storage; improve or alter operations of existing water storage facilities in connection with newly developed water; create new, expanded, improved, or altered water distribution, conveyance, or delivery systems in connection with newly developed water; allocate federally stored water; promote water reuse or conservation; provide streamflow protection or restoration; provide for water management or measurement in connection with newly developed water; and, determine seasonally varying flows in connection with newly developed water.

Increased expenditure limitation of \$50 million Other Funds was approved for the purpose of making grants and loans for irrigation modernization projects from lottery bond proceeds deposited into the Water Supply Development Fund. The funding is intended to leverage federal funding associated with Natural Resource Conservation Service authorized watershed plans, U.S. Bureau of Reclamation WaterSmart grant recipients, or U.S. Environmental Protection Agency grant recipients that are eligible to be on the Oregon Department of Environmental Quality's Intended Use Plan; and to provide public benefits in each category of benefits described in ORS 541.673. For projects involving surface water rights where the project conserves water, the intent is for priority to be given to projects that legally protect a portion of the conserved water instream commensurate with the amount required under the approach described in ORS 537.470.

The Water Resources Department expenditure limitation is increased by \$5 million Other Funds to allow the agency to distribute a grant to the City of West Linn for replacement of a water line crossing the Interstate 205 bridge (Abernathy Bridge). The grant funding is from the net proceeds of lottery revenue bonds authorized to be issued for the project.

An increase of \$700,425 Other Funds expenditure limitation supports the payment of bond issuance costs related to lottery revenue bonds authorized to be issued in the upcoming biennium for Water Supply Development, Irrigation Modernization, and the West Linn Abernathy Bridge waterline replacement projects. Lottery Funds debt service expenditure limitation is increased by \$2.6 million for the payment of debt service obligations related to Lottery revenue bonds authorized to be issued in the upcoming biennium.

One-time General Fund appropriations totaling \$11.2 million were provided to the Water Resources Department for the purpose of funding grants to entities for water supply projects. The individual recipients, projects, and amount of funding provided are: City of Beaverton, South Cooper Mountain Non-Potable (Purple Pipe) Project, \$2.5 million; North Unit Irrigation District, Infrastructure Modernization Project, \$2 million; Deschutes River Conservancy, Conserving Water Through Piping and Improved Monitoring and Measurement, \$1.5 million; Rogue River Irrigation District, Fourmile Creek Project, \$1.53 million; City of Monroe Water, Pre-filter and Automated Controls Infrastructure, \$1.5 million; City of St. Paul, Water Reservoir Improvement Project, \$636,000; City of Bay City, Earthquake Isolation Valves for Water Reservoirs, \$225,000; City of Halsey, New Well, \$300,000; City of Sodaville, Jackson Well Conversion to Municipal Use, \$370,000; and City of Falls City, Water Main Line Replacement Project, \$591,750.

Criminal Justice Commission

SB 973 (2019) created the Improving Peoples' Access to Community-based Treatment, Supports and Services (IMPACTS) Account for making grants to counties and federally recognized Indian tribes for community supports and services for individuals with mental health or substance use disorders leading to their involvement with the criminal justice system. The Subcommittee approved \$10 million General Fund on a one-time basis to recapitalize the account and provided the Criminal Justice Commission with \$10 million of Other Funds expenditure limitation for making grant awards.

A one-time increase of \$650,000 General Fund supports the Family Preservation Project operating at the Coffee Creek Correctional Facility. The Criminal Justice Commission will administer payments for this program, which is provided by the YWCA of Greater Portland.

A one-time General Fund appropriation of \$5 million is included for deposit into the Illegal Marijuana Market Enforcement Grant Program Fund established in SB 1544 (2018). Monies in this fund are for providing grants to local governments to assist with the costs incurred by local law enforcement agencies in addressing unlawful marijuana cultivation or distribution operations. A corresponding \$5 million Other Funds expenditure limitation is provided for the Commission to distribute the grants out of the fund.

An additional one-time General Fund appropriation of \$100,000 is approved for the Criminal Justice Commission to conduct a study on the advantages and disadvantages of decriminalizing prostitution. The Subcommittee approved the following related instruction:

BUDGET NOTE

New debt service totaling approximately \$4.1 million General Fund and \$1.2 million Other Funds expenditure limitation was approved for the Department's planned 2023-25 bond issues.

Department of Emergency Management

An Other Funds debt service expenditure limitation was established for \$190,000 to use Other Funds savings to offset the need for General Fund to pay for debt service on outstanding General Obligation bonds.

Department of Justice

The Subcommittee approved, on a one-time basis, a General Fund appropriation of \$10 million, for the Crime Victims and Survivor Services Division, for community-based violence prevention grants. This amount is in addition to \$15 million Other Funds expenditure limitation supported with American Rescue Plan Act State Fiscal Recovery funds received by the Department of Administrative Services as Federal Funds and transferred to the Department of Justice Other Funds (SB 5514) in the prior biennium.

The measure includes a supplemental increase to Other Funds expenditure limitation of \$6.6 million and authorizes the establishment of 18 permanent full-time positions (15.75 FTE) for organizational changes to the Child Advocacy Division. In addition, the measure includes a one-time Other Funds expenditure limitation of \$320,000 for the cost of the bond issuance for the Legal Tools Replacement Project 3.0 and which is to be budgeted under Debt Service and Related Costs program. The Subcommittee adopted the following budget note related to the Legal Tools Replacement Project 3.0 technology project:

BUDGET NOTE

The Department of Justice is directed to report to the Joint Legislative Committee on Information Management and Technology and the Joint Committee on Ways and Means prior to the 2024 legislative session on the status of the Legal Tools Replacement Project 3.0. The agency’s reports to the Legislature shall include: (a) updates on project scope, schedule, budget, and total cost of ownership; (b) current project risks, likely impacts, and mitigation strategies; (c) independent quality assurance reporting; (d) Department of Administrative Services project reporting and direction; (e) client agency involvement in the planning and governance of the project; and (d) other information that helps inform the Legislature on the status of the project or issues that have arisen as the result of the project.

The Department of Justice generates the majority the agency’s Other Funds revenue from charges to state agencies for legal services. The legal services rate (also known as the Attorney General rate) is established as part of the legislative budget process. The Attorney General rate for the 2023-25 biennium legislative adopted budget is estimated to generate \$322.9 million and includes \$26.6 million, or two months, of operating capital reserve for the Legal Services Fund. The legislatively approved rates are detailed in the following table:

- \$6 million General Fund to continue the Wildfire Season Staffing grants.
- \$2 million General Fund for wildfire readiness and response, including pre-position resources ahead of anticipated wildfire conditions, such as high winds, lightning, or hot weather; and immediate response to an active incident, which is not yet a conflagration, for short-term capacity.

- \$2 million General Fund for fire apparatus maintenance, firefighting equipment refurbishment, and operations and maintenance of engines for statewide wildfire response.

Additionally, the measure increases Other Funds expenditure limitation by \$545,174 to convert three existing full-time limited duration positions to permanent positions for ongoing operational support as the Department transitions to an independent agency. Positions include a Principal Executive Manager D (1.00 FTE), Accounting Technician (1.00 FTE), and Operations and Policy Analyst 2 (1.00 FTE). These positions are all supported with revenue from the Fire Insurance Premium Tax.

Department of State Police

Based on the May 2023 state economic and revenue forecast, the measure includes a one-time General Fund appropriation of approximately \$2.2 million to backfill an expected Measure 76 Lottery Funds revenue shortfall for the Department of State Police Fish and Wildlife Division.

The Subcommittee also approved Other Funds expenditure limitation of \$676,814 for the cost of issuance on \$55.1 million in Article XI-Q bonds for three major Oregon State Police construction projects: expansion of the Central Point Office, construction of a new forensic laboratory and medical examiner's office, and a patrol area command office in Springfield. Bonds will be issued in October 2023. New debt service totaling \$5.7 million General Fund was approved for the Department's planned 2023-25 bond issues.

Oregon Military Department

The Subcommittee approved an increase in Other Funds expenditure limitation of \$140,030 for the cost of issuance on \$8.4 million in Article XI-Q bonds for the Oregon Military Department. Two projects at the Owen Summers building in Salem will utilize these bond proceeds. New debt service totaling \$982,730 General Fund was approved for the Department's planned 2023-25 bond issues. An Other Funds debt service expenditure limitation was established for \$721,000 to use Other Funds savings to offset the need for General Fund to pay for debt service on outstanding general obligation bonds.

Oregon Youth Authority

The Subcommittee approved \$12.6 million General Fund, \$201,478 Other Funds expenditure limitation, and \$8.3 million Federal Funds expenditure limitation to make permanent a 5% occupancy rate enhancement, first approved in 2021-23 due to the COVID-19 pandemic, and to reflect a new methodology for calculating the rates paid to behavior rehabilitation service (BRS) providers. This new methodology will connect provider payment rates to data from the U.S. Bureau of Labor Statistics and the Consumer Price Index to account for inflation. The funding provided is in addition to the \$4.5 million of General Fund included in the Authority's budget bill (SB 5541) and is based on an estimated capacity of 249 behavior rehabilitation service beds in the community. A corresponding rate adjustment is supported for behavior rehabilitation services funded in the Department of Human Services' budget.

An increase in Other Funds expenditure limitation of \$694,516 supports the cost of issuance on \$46.1 million in Article XI-Q bonds for the Oregon Youth Authority. Bond proceeds will support continued renovation of living spaces and other facilities at MaClaren, Rogue Valley, Tillamook, Camp Riverbend, and other capital improvements, and will fund the Juvenile Justice Information System modernization project. Bonds will be issued in October 2023, May 2024, and March 2025. New debt service totaling \$4.3 million General Fund was approved for the Department's planned 2023-25 bond issues.

To support the Juvenile Justice Information System (JJIS) modernization project, the Subcommittee approved \$7.7 million Other Funds expenditure limitation. The Other Funds revenue for this expenditure is from the proceeds of Article XI-Q bonds issued for the project. Also approved for JJIS is a one-time General Fund appropriation of \$3.4 million for the non-bondable costs of the project. Finally, an Other Funds debt service expenditure limitation was established for \$56,000 to use Other Funds savings to offset the need for General Fund to pay for debt service on outstanding General Obligation bonds.

TRANSPORTATION

Department of Aviation

The budget reclassifies a Construction Project Manager 3 to a Policy Planning and Development Manager 3 in the Department of Aviation to properly reflect the position's responsibilities within the agency's System Action Program. To fund the cost of this reclassification, a Grounds Maintenance Worker 1 position is reduced from 14.23 months to 7.98 months.

Department of Transportation

The measure increases the Oregon Department of Transportation (ODOT) budget by \$1 million General Fund on a one-time basis to augment the Great Streets program, which is primarily funded with \$50 million of transportation funds received through the federal Infrastructure Investment and Jobs Act. The program funds different types of projects, including intersection improvements, bicycle facilities, sidewalks, corridor refinement and planning, street trees and furnishings, lighting, lane reductions and reconfigurations, and traffic calming and speed reduction features.

Additional General Fund is appropriated one-time to ODOT in the following amounts:

- \$2 million to the City of Independence for the Chestnut Street Bridge in the City of Independence
- \$2 million to the City of Independence for Western Interlock off-site transportation improvements in the City of Independence
- \$1.5 million to the Klamath County Economic Development Association for the Klamath Northern Railroad
- \$3 million for pedestrian access improvements along SW Hall Boulevard
- \$5 million to the Malheur County Development Corporation for the Treasure Valley Intermodal Facility project, also known as the Treasure Valley Reload Center

The Subcommittee also approved increases to Other Funds expenditure limitation to support projects funded by lottery revenue bonds. These increases include:

- \$20 million for the Port of Hood River for the Hood River - White Salmon Interstate Bridge
- \$20 million for Multnomah County for the Earthquake Ready Burnside Bridge project
- \$5 million for the City of Bend for the Hawthorne Avenue Pedestrian and Bicycle Overcrossing

Cost of issuance associated with these bonds collectively totals \$514,349 Other Funds, and no debt service for these projects is anticipated in the 2023-25 biennium.

The Legislature authorized a total of \$1 billion in general obligations bonds to support a portion of Oregon's costs related to the Interstate 5 Bridge Replacement project, a shared venture with the State of Washington. Other Funds expenditure limitation totaling \$250 million is associated with the first issuance of bonds in the 2023-25 biennium, with \$250 million in each of the successive three biennia, which matches the State of Washington's \$1 billion commitment and will help leverage federal funding for a portion of construction and design costs. Other Funds expenditure limitation for cost of issuance of the 2023-25 bonds totals \$1.8 million.
