8
9 **SECTION 1.** ORS 238.545 is amended to read:

10 238.545. (1) Except as otherwise provided in this section[,]:

11 (a) A judge member **who has five or more years of service as a judge** may withdraw from
12 the Public Employees Retirement Fund the amount credited to the member account of the judge
13 member if:

14 [(a)] (A) The judge member is separated from all service with participating public employers;

15 [(b)] (B) The judge member is separated from all service with employers who are treated as part
16 of a participating public employer's controlled group under the federal laws and rules governing the

25 (B) **The judge member is separated from all service with employers who are treated as**
26 **part of a participating public employer's controlled group under the federal laws and rules**
27 **governing the status of the Public Employees Retirement System and the Public Employees**

NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted.
New sections are in **boldfaced** type.

1 **Retirement Fund as a qualified governmental retirement plan and trust; and**

2 **(C) The separation from service is not by reason of death or disability.**

3 (2) If a judge member wishes to withdraw the member account balance under this section, the
4 judge member must transmit to the Public Employees Retirement Board a withdrawal request. The
5 board shall deny the withdrawal, or shall take all reasonable steps to recover withdrawn amounts,
6 if:

7 (a) The board determines that the separation is not a bona fide separation; or

8 (b) The judge member fails to remain absent from the service of all employers described in
9 subsection (1) of this section for at least one calendar month following the month in which the judge
10 member separates from service.

11 (3) If a judge member who is eligible to withdraw as provided in subsection (1) of this section
12 does not elect to withdraw, the member account of the judge member shall remain to the credit of
13 the judge member, and the judge member is entitled to such death benefits and disability retirement
14 allowance as ORS 238.500 to 238.585 provide. Before attaining 60 years of age, a judge member who
15 is eligible to withdraw as provided in subsection (1) of this section but who does not withdraw must
16 elect in writing to retire under either ORS 238.535 (1)(a) or (b). The election is irrevocable after the
17 judge member attains 60 years of age. Any inactive judge member who fails to make the election
18 provided for in this subsection prior to attaining 60 years of age shall be retired under the pro-
19 visions of ORS 238.535 (1)(a). The service retirement allowance of an inactive judge member who
20 retires under ORS 238.535 (1)(a) shall be a reduced service retirement allowance that is the actuarial
21 equivalent of the service retirement allowance provided for in ORS 238.535 (1)(a). An inactive judge
22 member who elects to retire under ORS 238.535 (1)(b) must meet all other requirements imposed by
23 ORS 238.535 for retirement under ORS 238.535 (1)(b).

24 (4) If approved by the Chief Justice of the Supreme Court, an inactive judge member who elects
25 to retire under ORS 238.535 (1)(b) pursuant to the provisions of subsection (3) of this section may
26 commence to serve the pro tem service obligation imposed by ORS 238.535 before the judge
27 member's date of retirement. If the Chief Justice determines, at any time after the judge member
28 commences performing the pro tem service obligation, that the judge member has failed to perform
29 the pro tem services in the manner required by ORS 238.535 (1)(c), and the judge member has not
30 been relieved of the obligation to perform those services in the manner provided by ORS 238.535
31 (1)(c), the Chief Justice shall notify the Public Employees Retirement Board. If the judge member
32 has not yet retired, the board shall calculate the service retirement allowance of the noncomplying
33 judge member at the time of retirement in the manner provided by ORS 238.535 (1)(a). If the judge
34 member has retired, the board shall recalculate the service retirement allowance of the noncomply-
35 ing judge member in the manner provided by ORS 238.535 (1)(a), and the noncomplying judge member
36 shall receive only that recalculated amount thereafter. An inactive judge member may be relieved
37 of the pro tem service obligation imposed by ORS 238.535 (1)(c) in the same manner as provided in
38 ORS 238.535 for retired judge members.

39 (5) Withdrawal of the member account balance under this section cancels all membership rights
40 in the system, including the right to claim credit for any employment before withdrawal.

41 (6) ORS 238.105 and 238.115 (1) apply to a former judge member who has withdrawn the member
42 account balance under this section.

43 **SECTION 2.** ORS 238.565 is amended to read:

44 238.565. (1) For the purposes of this section, a judge member may designate a beneficiary or
45 beneficiaries by written designation duly acknowledged and filed with the **Public Employees Re-**

1 **tirement** Board before the death of the judge member. Beneficiaries designated by a judge member
 2 may include any persons, the personal representative of the estate of the judge member or the
 3 trustee named by the judge member to execute an express trust.

4 (2)(a) If a judge member who has six or more years of service as a judge dies before retiring,
 5 and the judge member is not an inactive judge member who is performing a pro tem service obli-
 6 gation under the provisions of ORS 238.545 (4), the surviving spouse of the judge member shall re-
 7 ceive a life pension, payable monthly, equal to two-thirds of the service retirement allowance the
 8 judge member would have received under ORS 238.535 (1)(a) had the judge member retired on the
 9 date of death.

10 (b) If a judge member who has six or more years of service as a judge dies before retiring, and
 11 the judge member is an inactive member who is performing a pro tem service obligation under the
 12 provisions of ORS 238.545 (4), the surviving spouse of the judge member shall receive a life pension,
 13 payable monthly, equal to two-thirds of the service retirement allowance the judge member would
 14 have received under ORS 238.535 (1)(b) had the judge member retired on the date of death.

15 (c) If a surviving spouse receiving a pension under paragraph (a) or (b) of this subsection dies
 16 and the total amount received as pension by the surviving spouse is less than the amount credited
 17 to the member account of the judge member in the fund on the date of death of the judge member,
 18 the beneficiary or beneficiaries shall receive a lump sum amount equal to the difference between the
 19 total amount received by the surviving spouse and the amount so credited to the member account
 20 of the judge member.

21 (d) If a judge member [*who has six or more years of service as a judge*] dies before retiring and
 22 has no surviving spouse, the beneficiary or beneficiaries shall receive a lump sum amount equal to
 23 the amount credited to the member account of the judge member in the fund on the date of death
 24 of the judge member. **If the judge has not designated a beneficiary, or if the named beneficiary**
 25 **predeceases the judge member, the amount credited to the account shall be paid to a per-**
 26 **sonal representative appointed for the estate of the deceased judge member.**

27 (e) If the surviving spouse of a judge member who dies before retiring is not entitled to a pen-
 28 sion under paragraph (a) or (b) of this subsection, the surviving spouse shall receive a lump sum
 29 amount equal to the amount credited to the member account of the judge member in the fund on the
 30 date of death of the judge member.

31 (3)(a) If a judge member dies after retiring, the surviving spouse of the judge member shall re-
 32 ceive a life pension, payable monthly, equal to two-thirds of the retirement allowance the judge
 33 member is receiving or is entitled to receive on the date of death.

34 (b) If a surviving spouse receiving a pension under paragraph (a) [*or (b)*] of this subsection dies
 35 and the total amount received as retirement allowance by the retired judge member and as pension
 36 by the surviving spouse is less than the amount credited to the member account of the judge member
 37 on the date of retirement of the judge member, the beneficiary or beneficiaries shall receive a lump
 38 sum amount equal to the difference between the total amount received as retirement allowance and
 39 pension and the amount so credited to the member account of the judge member.

40 (c) If a judge member dies after retiring and has no surviving spouse, and the total amount re-
 41 ceived as retirement allowance by the retired judge member is less than the amount credited to the
 42 member account of the judge member on the date of retirement of the judge member, the beneficiary
 43 or beneficiaries shall receive a lump sum amount equal to the difference between the total amount
 44 received as retirement allowance and the amount so credited to the member account of the judge
 45 member.

1 (4) At any time after becoming a judge member, but not later than the date on which the first
2 payment on account of retirement is due, a judge member may elect to provide an addition to the
3 pension of the surviving spouse of the judge member under subsection (3)(a) of this section by se-
4 lecting a reduced retirement allowance for the judge member. The additional pension to the surviv-
5 ing spouse shall be the actuarial equivalent of the reduction in the retirement allowance of the
6 judge member and, in no event, when added to the pension under subsection (3)(a) of this section,
7 shall it exceed the reduced retirement allowance elected by the judge member.

8 (5) Any accrued retirement allowance due a retired judge member that is unpaid at the time of
9 death of the judge member shall be paid to the surviving spouse of the judge member. If there is no
10 surviving spouse, the accrued retirement allowance shall be paid to the beneficiary or beneficiaries
11 of the judge member. If there is no surviving spouse or beneficiary, the accrued retirement allow-
12 ance shall be paid as provided in ORS 238.390 (2).

13 (6) Notwithstanding any other provision of this section, a judge member shall be considered to
14 have died with no surviving spouse if:

15 (a) The judge member has entered into a prenuptial or antenuptial agreement with the spouse
16 of the judge that provides that the spouse shall have no right or claim to a surviving spouse's pen-
17 sion; and

18 (b) The judge member has filed a copy of the prenuptial or antenuptial agreement with the board
19 before the death of the judge member.

20 (7) The board shall not be liable for any payment made to a beneficiary by reason of a prenuptial
21 or antenuptial agreement filed with the board under subsection (6) of this section unless the board
22 has actual knowledge that the agreement has been revoked.

23 (8) A judge member may elect to have all or part of the pension that is payable to a surviving
24 spouse under this section be paid to a former spouse of the judge member. The election may be made
25 before or after the judge member retires. If a judge member makes an election under this subsection,
26 the board shall pay the designated portion of pension to the former spouse for the life of the former
27 spouse. If a judge member is married at the time an election is made under this subsection, the
28 spouse of the judge member must give written consent to the election. An election under this sub-
29 section does not affect the amount of any additional pension elected by a judge member under sub-
30 section (4) of this section. If a judge member makes an election under this subsection and the judge
31 member does not have a surviving spouse when the judge member dies, the former spouse shall re-
32 ceive a life pension for only that part of the pension specified in the election. If a judge member
33 makes an election under this subsection and the judge member has a surviving spouse when the
34 judge member dies:

35 (a) The surviving spouse shall receive no benefit if the judge member elected to have the entire
36 pension payable under this section paid to the former spouse; or

37 (b) The surviving spouse shall receive that part of the pension not paid to the former spouse
38 until the death of the former spouse.

39 **SECTION 3.** ORS 238.580 is amended to read:

34 at the time of death to the member account of the member in the fund shall be paid to the benefi-
35 ciaries designated by the member. For this purpose a member may designate as a beneficiary any
36 person or the executor or administrator of the estate of the member or a trustee named by the
37 member to execute an express trust in regard to such amount. The termination of a person's mem-
38 bership in the system pursuant to ORS 238.095 (1) or (2) invalidates any designation of beneficiary
39 made by the person before the termination of membership.

40 (2)(a) If a member dies before retiring and has not designated a beneficiary under subsection (1)
41 of this section, **or if the designated beneficiary or beneficiaries do not survive the member**, the
42 Public Employees Retirement Board shall pay the amount of money, if any, credited at the time of
43 death to the member account of the deceased member to [*a personal representative appointed for the*
44 *estate of the deceased member*] **the following person or persons, in the following order of prior-**
45 **ity:**

1 **(A) The member’s surviving spouse or other person who is constitutionally required to**
2 **be treated in the same manner as a spouse;**

3 **(B) The member’s surviving children, in equal shares; or**

4 **(C) The member’s estate.**

5 **(b)** If a small estate affidavit has been filed under ORS 114.505 to 114.560, and the amount of
6 money credited to the account does not exceed the maximum amount of personal property for which
7 a small estate affidavit may be filed under ORS 114.505 to 114.560, the board shall pay the amount
8 to the person who filed the affidavit, **if the member’s estate is the designated beneficiary or is**
9 **receiving the payment under paragraph (a) of this subsection.**

10 (3) [*The beneficiary designated*] **A beneficiary** under subsection (1) **or (2)** of this section may
11 elect to receive the amount payable in actuarially determined monthly payments for the life of such
12 beneficiary as long as such monthly payments are at least \$200.

13 (4) Accrued benefits due a retired member at the time of death are payable to the designated
14 beneficiary or as provided in subsection (2) of this section. For the purpose of determining accrued
15 benefits due a retired member at the time of death, accrued benefits are considered to have ceased
16 as of the last day of the month preceding the month in which the retired member dies; but if Option
17 2 or Option 3 under ORS 238.305 has been elected as provided in this chapter and the beneficiary
18 survives the retired member, the benefits to the beneficiary shall commence as of the first day of
19 the month in which the retired member dies, and payment of benefits under Option 2 or Option 3
20 shall cease with the payment for the month preceding the month in which the beneficiary dies.

21 (5) If a member dies before retiring and has designated a beneficiary under subsection (1) of this
22 section, but the beneficiary [*dies before the member, or*] dies **after the member and** before distrib-
23 ution is made under this section, the Public Employees Retirement Board shall pay the amount of
24 money, if any, that would otherwise have been paid to the beneficiary to a personal representative
25 appointed for the estate of the deceased beneficiary. If a small estate affidavit has been filed under
26 ORS 114.505 to 114.560, and the amount of money that would have been paid to the beneficiary does
27 not exceed the maximum amount of personal property for which a small estate affidavit may be filed
28 under ORS 114.505 to 114.560, the board shall pay the amount to the person who filed the small es-
29 tate affidavit on behalf of the estate of the beneficiary.

30 (6) Interest upon the member account of the member shall accrue until the date that the amount
31 in the member account is distributed. Any balance in the variable account of the deceased member
32 is considered to be transferred to the regular account of the member as of the date of death. The
33 board shall establish procedures for computing and crediting interest on the balance in the member
34 account for the period between the date of death and date of distribution.

35 (7) Payment by the board of amounts in the manner provided by this section completely dis-
36 charges the board and system on account of the death, and shall hold the board and system harmless
37 from any claim for wrongful payment.

38 **SECTION 10.** ORS 238.395 is amended to read:

39 238.395. (1)(a) In addition to any other benefits under this chapter, a death benefit, provided by
40 contributions of the public employer under ORS 238.225 and, for benefits that accrue on or after July
41 1, 2020, amounts in the employee pension stability account established for the member under ORS
42 238A.353, shall be paid to the beneficiaries designated under ORS 238.390 (1) of a person who is an
43 active or inactive member of the Public Employees Retirement System and who dies as a result of
44 injuries received while employed in the service of the public employer or within 120 days after ter-
45 mination from service with a participating public employer. A member who is on a leave of absence

1 without pay from employment with a participating public employer has not terminated service with
2 that participating public employer for the purposes of this section.

3 (b) The death benefit under this subsection is an amount equal to the amount in the member
4 account of the deceased member at the time of death.

5 (c) In the event that a beneficiary has not been named as provided in paragraph (a) of this
6 subsection and ORS 238.390 (1), the death benefit under this subsection shall be paid in the manner
7 provided for payment of money credited to the member account of the member in ORS 238.390 (2).

8 (d) The beneficiary designated under paragraph (a) of this subsection and ORS 238.390 (1) **or (2)**
9 may elect to receive the amount payable in actuarially determined monthly payments for the life of
10 such beneficiary as long as such monthly payments, plus the monthly amount if elected under ORS
11 238.390 (3), are at least \$200.

12 (e) Interest upon the death benefit provided by this subsection accrues until the date that the
13 benefit is distributed. The Public Employees Retirement Board shall establish procedures for com-
14 puting interest to be credited on the benefit for the period between the date of death and date of
15 distribution.

16 (2)(a) If a member of the system dies while employed in the service of a participating public
17 employer or within 120 days after termination from service with a participating public employer and
18 the member's spouse is the member's beneficiary under ORS 238.390, the member's spouse may elect
19 to receive the benefit provided under this subsection in lieu of the death benefits provided under
20 ORS 238.390 and subsection (1) of this section.

21 **(b) The board shall provide the member's spouse with an estimate of the benefits avail-**
22 **able under this section once the board:**

23 **(A) Has been notified of the member's death; and**

24 **(B) Has determined that the member's spouse is the sole beneficiary.**

25 **[(b)] (c) If the member's spouse elects to receive the benefit described in this subsection,**
26 **the member's spouse must notify the board in writing of [an] the election [under this section] no later**
27 **than 60 days after the date of [death of the member] the estimate provided under paragraph (b)**
28 **of this subsection.**

29 **[(c)] (d)** The death benefit to be paid under this subsection is for the life of the member's spouse
30 and is:

31 (A) If the member dies before the earliest retirement date for the member under ORS 238.280,
32 the actuarial equivalent of 50 percent of the service retirement allowance that would otherwise have
33 been paid to the deceased member, which shall be calculated as if the member became an inactive
34 member on the date of death and retired at the earliest retirement date for the member under ORS
35 238.280;

36 (B) If the member dies on or after the earliest retirement date for the member under ORS
37 238.280 and before normal retirement age, as defined in ORS 238.005, the actuarial equivalent of the
38 service retirement allowance that would otherwise have been paid to the deceased member, which
39 shall be calculated as if the member retired under ORS 238.280 and as if the member's retirement
40 date was the first of the month following the date of death of the member; or

41 (C) If the member dies on or after reaching normal retirement age as defined in ORS 238.005,
42 the actuarial equivalent of the benefit that would otherwise have been paid to the deceased member,
43 which shall be calculated under ORS 238.300 as if the member's retirement date was the first of the
44 month following the date of death of the member.

45 **[(d)] (e)** The death benefit provided under this subsection shall be funded in the same manner

1 as described under ORS 238.300 and is first effective on the first day of the month following the date
2 of death of the member.

3 (f) The member's spouse may elect to delay payment of the death benefit **provided under this**
4 **subsection**, which shall be actuarially adjusted for age and interest when payments commence, but
5 payment must commence no later than December 31 of the calendar year in which the deceased
6 member would have reached 72 years of age. **If the member's spouse elects to delay payment**
7 **under this paragraph and dies before payments commence:**

8 (A) **The beneficiary of the member's spouse shall receive, in a lump sum, the sum of the**
9 **payments the member's spouse would have received had the member's spouse not elected to**
10 **delay payment of the death benefit.**

11 (B) **If the member's spouse has not designated a beneficiary, the member's spouse's**
12 **benefit shall be paid to a personal representative appointed for the estate of the member's**
13 **spouse.**

14 (3) Payment by the board of additional death benefits in the manner provided by this section
15 completely discharges the board and system on account of the death, and shall hold the board and
16 system harmless from any claim for wrongful payment.

17 **SECTION 11.** ORS 238A.230, as amended by section 7, chapter 83, Oregon Laws 2022, is
18 amended to read:

19 238A.230. (1) If a member of the pension program who is vested dies before the member's effec-
20 tive date of retirement, the Public Employees Retirement Board shall pay the death benefit provided
21 for in this section to:

22 (a) The spouse of the member to the extent not provided to a former spouse in accordance with
23 a judgment or order under ORS 238.465;

24 (b) The former spouse of the member as provided in a judgment or order under ORS 238.465; or

25 (c) Any other person who is constitutionally required to be treated in the same manner as a
26 spouse for the purpose of retirement benefits.

27 (2) The death benefit to be paid under this subsection is for the life of the member's spouse,
28 former spouse or other person who is constitutionally required to be treated in the same manner
29 as a spouse, and is:

30 (a) If the member dies before the earliest retirement date for the member under ORS 238A.165,
31 the actuarial equivalent of 50 percent of the pension that would otherwise have been paid to the
32 deceased member, which shall be calculated as if the member became an inactive member on the
33 date of death and retired at the earliest retirement date for the member as described in ORS
34 238A.165;

35 (b) If the member dies on or after the earliest retirement date for the member under ORS
36 238A.165 and before normal retirement age under ORS 238A.160, the actuarial equivalent of the
37 pension that would otherwise have been paid to the deceased member, which shall be calculated as
38 if the member retired under ORS 238A.185 and as if the member's retirement date was the first of
39 the month following the date of death of the member; or

40 (c) If the member dies on or after reaching normal retirement age as described in ORS 238A.160,
41 the actuarial equivalent of the pension that would otherwise have been paid to the deceased mem-
42 ber, which shall be calculated under ORS 238A.125 as if the member's retirement date was the first
43 of the month following the date of death of the member.

44 (3) The death benefit provided under this section is first effective on the first day of the month
45 following the date of death of the member.

1 (4) The surviving spouse[, *former spouse or other person entitled to the death benefit*] **or other**
 2 **person who is constitutionally required to be treated in the same manner as a spouse for the**
 3 **purpose of retirement benefits** may elect to delay payment of the death benefit, which shall be
 4 actuarially adjusted for age and interest when payments commence, but payment must commence
 5 no later than December 31 of the calendar year in which the member would have reached 72 years
 6 of age. **If a person who delays payment under this subsection dies before payments com-**
 7 **mence:**

8 (a) **The person's beneficiary shall receive, in a lump sum, the sum of the payments the**
 9 **person would have received had the person not elected to delay payment of the death benefit.**

10 (b) **If the person who delays payment under this subsection has not designated a benefi-**
 11 **ciary, the person's benefit shall be paid to a personal representative appointed for the**
 12 **person's estate.**

13 [(4)] (5) Notwithstanding any other provision of ORS 238A.100 to 238A.250, distributions of death
 14 benefits under the pension program must comply with the minimum distribution requirements of 26
 15 U.S.C. 401(a)(9) and the regulations implementing that section, as in effect on January 1, 2022. The
 16 board shall adopt rules implementing those minimum distribution requirements.

17 **SECTION 12.** ORS 238A.410, as amended by section 10, chapter 83, Oregon Laws 2022, is
 18 amended to read:

19 238A.410. (1)(a) If a member of the individual account program dies before retirement, the
 20 amounts in the member's employee account, rollover account and employer account, to the extent
 21 the member is vested in those accounts under ORS 238A.320, shall be paid in a lump sum to the
 22 beneficiary or beneficiaries designated by the member for the purposes of this section.

23 (b) If a member of the individual account program dies before retirement, the amounts in the
 24 employee pension stability account established for the member under ORS 238A.353 shall be applied
 25 by the Public Employees Retirement Board to pay the costs of any benefit payable under ORS
 26 238.395 or 238A.230 that accrues on or after July 1, 2020. If the amounts in the employee pension
 27 stability account exceed the costs of the benefit payable under ORS 238.395 or 238A.230 that accrues
 28 on or after July 1, 2020, the excess amounts shall be paid in a lump sum to the beneficiary or ben-
 29 efiaries designated by the member for the purposes of this section.

30 (2) If a member of the individual account program is married at the time of death, or there exists
 31 at the time of death any other person who is constitutionally required to be treated in the same
 32 manner as a spouse for the purpose of retirement benefits, the spouse or other person shall be the
 33 beneficiary for purposes of the death benefit payable under this section unless the spouse or other
 34 person consents to the designation of a different beneficiary or beneficiaries before the designation
 35 has been made and the consent has not been revoked by the spouse or other person as of the time
 36 of the member's death. Consent and revocation of consent must be in writing, acknowledged by a
 37 notary public, and submitted to the Public Employees Retirement Board in accordance with rules
 38 adopted by the board. If the member's spouse is designated as the member's beneficiary and the
 39 marriage of the member and spouse is subsequently dissolved, the former spouse shall be treated as
 40 predeceasing the member for purposes of this section, unless the member expressly designates the
 41 former spouse as beneficiary after the effective date of the dissolution or the former spouse is re-
 42 quired to be designated as a beneficiary under the provisions of ORS 238.465.

43 (3) For purposes of this section and ORS 238A.400 (3), if a member fails to designate a benefi-
 44 ciary, or if the person or persons designated do not survive the member, the death benefit provided
 45 for in this section shall be paid to the following person or persons, in the following order of priority:

1 (a) The member's surviving spouse or other person who is constitutionally required to be treated
2 in the same manner as a spouse;

3 (b) The member's surviving children, in equal shares; or

4 (c) The member's estate.

5 **(4) If a small estate affidavit has been filed under ORS 114.505 to 114.560, and the death**
6 **benefit does not exceed the maximum amount of personal property for which a small estate**
7 **affidavit may be filed under ORS 114.505 to 114.560, the board shall pay the death benefit to**
8 **the person who filed the affidavit, if the member's estate is the designated beneficiary or is**
9 **receiving the payment under subsection (3) of this section.**

10 [(4)] (5) The entire amount of a deceased member's vested accounts must be distributed by De-
11 cember 31 of the fifth calendar year after the year in which the member died. Notwithstanding any
12 other provision of this chapter, distributions of death benefits under the individual account program
13 must comply with the minimum distribution requirements of 26 U.S.C. 401(a)(9) and the regulations
14 implementing that section, as in effect on January 1, 2022. The Public Employees Retirement Board
15 shall adopt rules implementing those minimum distribution requirements.

19 **SECTION 13.** ORS 238A.155 is amended to read:

20 238A.155. (1) Notwithstanding any other provision of ORS 238A.100 to 238A.250, an active
21 member of the pension program [*described in subsection (2) of this section*] who becomes disabled

23 which the member is disabled.

24 [(2) *The provisions of this section apply only to:*]

28 *performance of duty.*]

29 [(3)] (2) Retirement credit accrues under this section only for as long as the member remains
30 disabled or until the member reaches the normal retirement age under ORS 238A.160.

31 [(4)] (3) If a disabled member does not return to employment with a participating public em-
32 ployer after the period of disability, the member shall receive a pension under ORS 238A.180,
33 238A.185 or 238A.190 upon retirement based on an adjusted salary. The adjusted salary shall be the
34 salary paid to the disabled member on the date the member left active employment with the partic-
35 ipating public employer by reason of disability, adjusted for each year after the member left em-
36 ployment and before the member's effective date of retirement to reflect cost-of-living changes, based
37 on the Consumer Price Index for All Urban Consumers, West Region (All Items), as published by the
38 Bureau of Labor Statistics of the United States Department of Labor. Adjustments under this sub-
39 section may not exceed a two percent increase or decrease for any year. An adjustment shall be
40 made under this subsection only for calendar years in which the member is disabled for at least six

4 (b) The member receives workers' compensation benefits by reason of injury or disease that was
5 sustained while in actual performance of duty with a participating public employer and that was not
6 intentionally self-inflicted and returns to employment with a participating public employer after the
7 period of disability.

8 **SECTION 14.** ORS 238A.320 is amended to read:

9 238A.320. (1) A member of the individual account program becomes vested in the employee ac-

26 (4) If on the date that a person becomes an active member the person has already reached the
27 normal retirement age for the person under ORS 238A.160, and the employer makes employer con-
28 tributions for the member under ORS 238A.340, the person is vested in the employer account es-
29 tablished under ORS 238A.350 (3) on that date.

30 (5) If a member of the individual account program who is not vested in the employer account
31 performs fewer than 600 hours of service in each of five consecutive calendar years, hours of service
32 performed before the first calendar year of the period of five consecutive calendar years shall be
33 disregarded for purposes of determining whether the member is vested under subsection (3)(a) of this
34 section.

35 (6) Solely for purposes of determining whether a member is vested under subsection (3)(a) of this
36 section, hours of service include creditable service, as defined in ORS 238.005, performed by the

2 of the Public Employees Retirement System and obtaining information necessary for computation of
3 the retirement allowance or benefit to which the member is entitled upon retirement, the system
4 shall provide to the member a written computation of the retirement allowance or benefit to which
5 the member is entitled upon retirement and summary of the information used in making that com-

17 change in the computation of the retirement allowance or benefit.

18 (4) Upon receiving a notice of dispute under subsection (2) of this section, the system shall de-

34 **(c) To make a correction or modification as a result of a dispute under subsection (2) of**

45 **(3) If the board exercises its discretion under subsection (2) of this section, after the**

1 employer and member have had an opportunity to review the member data, the employer
2 may not modify information that is provided to the board and that relates to the member's
