NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 adopted by the authority may also be entitled to quality bonus payments in addition to the
2 per medical assistance recipient rate.

3 (b) The payment rate shall take into account the cost of technology and data systems
4 needed to measure outcomes as prescribed by the authority and the cost of collection of
5 other data required by the authority.

6 (4) This section does not require a clinic that is eligible for certification under this sec-
7 tion to apply for certification. Participation in the program is voluntary.

8 **SECTION 3.** (1) Section 2 of this 2023 Act becomes operative on the date specified in
9 section 223(d)(3) of the Protecting Access to Medicare Act of 2014 (P.L. 113-93), as amended,
10 for the expiration of the demonstration program.

11 (2) The Oregon Health Authority shall take steps to increase the number of certified
12 community behavioral health clinics in this state that are funded under the demonstration
13 program until the expiration of the demonstration program.

14 (3) Prior to the expiration of the demonstration program, the authority shall seek federal
15 approval for an amendment to the Medicaid state plan to allow the state to receive federal
16 financial participation in the costs of the certified community behavioral health clinic pro-
17 gram established in section 2 of this 2023 Act on and after the operative date of section 2
18 of this 2023 Act as specified in subsection (2) of this section.

19 (4) As used in this section, “demonstration program” means the community mental
20 health services demonstration program described in section 223 of the Protecting Access to
21 Medicare Act of 2014 (P.L. 113-93), as amended.
