34 “(A) That screening, health assessment, treatment and recovery services for drug addiction are
35 available to all those who need and want access to those services; **and**

5 with the purposes and policy objectives stated in this section.

6 “(4) As used in **ORS 430.383 to 430.390**, ‘recovery’ means a process of change through
7 which individuals improve their health and wellness, live a self-directed life and strive to
8 reach their full potential.
