25 that the licensee will pay to the state all moneys due it under this chapter, including moneys which  
26 escheat pursuant to ORS 462.073 and any fines imposed by any court or by any state agency; to  
27 horsemen [*or greyhound owners*], all moneys owing and all moneys required to be paid for breakage,  
28 purses and Oregon-bred purse supplements; to persons presenting valid winning tickets, the amounts  
29 owing to them; and to the special track fund or training track fund, all moneys required to be paid  
30 to those funds by statute or rule. In lieu of a surety bond the commission may accept a certificate  
31 of deposit, an irrevocable letter of credit, or equivalent which will assure that the obligations de-  
32 scribed above are paid, up to the designated amount.

33           “(3) The Attorney General or the district attorney of the county wherein the race meet is held  
34 shall prosecute all actions on such bonds on behalf of the state.

35           “(4) Any person having a claim against the licensee for any obligation covered by the bond or  
36 bond substitute, except cause of action covered by public liability insurance, may prosecute the same  
37 in an action in behalf of the claimant brought in the name of the state for the use and benefit and  
38 at the expense of such claimant. The court may award reasonable attorney fees to the prevailing  
39 party in an action under this subsection. If the amount of the bond or bond substitute is insufficient  
40 to cover all obligations, amounts owing to and for the benefit of the state pursuant to ORS 462.073  
41 (3) shall have priority over any other claims. No action may be brought for recovery on the bond  
42 or bond substitute unless written notice of the claim is made to the commission and to the race meet  
43 licensee within 120 days after the last day of the race meet or continuous race meet in which the  
44 obligation arose. The notice must be by registered mail, certified mail with return receipt or per-  
45 sonal service to the licensee or to the licensee’s registered agent. Any action for recovery on the

1 bond or bond substitute must be brought no earlier than 60 days and no later than 180 days after  
2 service of the written notice on the race meet licensee or on the licensee's registered agent. These  
3 limitations shall not apply to claims for valid winning tickets if the claimant has made a timely  
4 claim pursuant to ORS 462.073 (2).

5 “(5) Every person licensed to conduct a race meet for horses shall carry insurance to protect  
6 jockeys and, if appropriate, drivers. The type, form and amount of insurance, and the carrier, must  
7 be approved by the commission.

8 “**SECTION 14.** ORS 462.125 is amended to read:

9 “462.125. (1) The Oregon Racing Commission shall determine the number [*and classes*] of race  
10 meets to be held in any fiscal year, and the total number of racing dates to be granted to a licensee  
11 subject to provisions of ORS 462.062 and 462.067. Not more than 350 days of racing, exclusive of  
12 racing days authorized to designated licensees pursuant to subsection (5) of this section, shall be  
13 held in any metropolitan area in any fiscal year. A licensee shall conduct at least 720 live races  
14 under the license during each fiscal year race meets are held under the license. The commission  
15 may reduce the number of races required under this section upon application by a horsemen's as-  
16 sociation that negotiates with the race meet licensee.

17 “(2) If a licensee under ORS 462.062 or 462.067 fails, for good cause, to complete all of the al-  
18 located days in a licensed race meet or if the commission does not receive and approve license ap-  
19 plications for all of the days allocated to [*either class of*] racing, the commission may add the unused  
20 or unallocated days no later than June 30 of the following fiscal year, to the racing days allocated  
21 to and available to the licensee or, in the discretion of the commission, to any other licensee [*of*  
22 *either class of racing*] in the metropolitan area. Additional race days allocated under this subsection  
23 are exempt from the limit of 350 days of racing in a fiscal year imposed by subsection (1) of this  
24 section. The additional racing days granted by the commission to any eligible licensee may not ex-  
25 ceed the total of the unused or unallocated racing days in any one fiscal year.

26 “(3) If an emergency occurs on the day of racing, and a night racing program runs past the hour  
27 of midnight, such time after midnight is not considered an additional racing day.

28 “(4) As used in subsections (1) and (2) of this section, ‘metropolitan area’ means:

29 “(a) Multnomah, Clackamas and Washington Counties.

30 “(b) Marion and Polk Counties.

31 “(c) Linn and Benton Counties.

32 “(d) A county other than those designated in paragraphs (a), (b) and (c) of this subsection.

33 “(5) Each licensee designated in ORS 462.057 may be granted up to 12 days of horse[,] **or** mule  
34 [*or greyhound*] racing to be held within the county in which the licensee holds its fair or show or  
35 at a race course owned by a governmental agency or a nonprofit corporation in an adjoining county.  
36 If a licensee does not use all of the licensee's allocated race days during the fiscal year, the com-  
37 mission, in the commission's discretion, may allow that licensee to use the leftover days in the next  
38 fiscal year. If a licensee referred to in this subsection wishes to make application to the commission  
39 to schedule racing days that conflict with racing days previously scheduled by another such  
40 licensee, at least 30 days prior to the date of a meeting of the commission, the governing bodies of  
41 the applicant and the previous licensee shall meet at a time and place prescribed by the previous  
42 licensee to discuss the applicant's proposed racing day schedule. The conclusion of the parties re-  
43 garding the proposals for conflicting racing days and the matters upon which the parties agree or  
44 disagree shall be reduced to writing signed by the parties and submitted to the commission not later  
45 than 14 days prior to a meeting of the commission. The commission may approve or disapprove

1 proposals for conflicting racing days upon such terms and conditions as the commission considers  
2 appropriate.

3 “(6) The commission may not grant a license for any race meet within a county for dates that  
4 conflict with racing dates granted to the county fair of such county.

5 “(7) The commission may not grant a licensee that is subject to ORS 462.062 a license for a race  
6 meet for a date that conflicts with a race meet date granted to a licensee that is subject to ORS  
7 462.057, unless the commission has the consent of the licensee that is subject to ORS 462.057. This  
8 subsection applies only if the licensee that is subject to ORS 462.057 held a race meet during the  
9 2002 calendar year on a date substantially similar to the date that is the subject of the conflict. A  
10 licensee that is subject to ORS 462.057 may not unreasonably withhold consent under this sub-  
11 section.

12 “**SECTION 15. ORS 462.135 is repealed.**

13 “**SECTION 16.** ORS 462.140 is amended to read:

14 “462.140. (1) A person may not conduct or commit, attempt or conspire to conduct or commit  
15 pool selling, bookmaking, or circulate handbooks, or bet or wager on any licensed race meet, other  
16 than by the mutuel method. All moneys wagered in Oregon must be accounted for through a com-  
17 puterized mutuel wagering system in use by an operating race meet in this state and approved by  
18 the Oregon Racing Commission. Wagering into pools outside of Oregon via telephone or other device  
19 is prohibited unless the wagering information is transmitted by a licensee that conducts off-race  
20 course mutuel wagering pursuant to ORS 462.700 to 462.740.

21 “(2) A race meet licensee may not take more than 22 percent of the gross receipts of any mutuel  
22 wagering system subject to approval by the commission.

23 “(3) A race meet licensee shall compute breaks in the mutuel system at 10 cents for each dollar  
24 wagered in a specific mutuel pool except, when the breaks in the mutuel system compute to less  
25 than 10 cents total for each dollar wagered, the race meet licensee shall compute the breaks on that  
26 specific mutuel pool at five cents. When the breaks in the mutuel system compute at 10 cents or  
27 more for each dollar wagered, the race meet licensee shall pay in increments of 10 cents for each  
28 dollar wagered. When the breaks in the mutuel system compute to less than 10 cents for each dollar  
29 wagered, the race meet licensee shall pay five cents for each dollar wagered. For horses, 45 percent  
30 of the breaks shall be retained by the licensee. [*For greyhounds, 33-1/3 percent shall be retained by*  
31 *the licensee.*] The other 55 percent [*for horses and 66-2/3 percent for greyhounds*] shall be paid as  
32 follows:

33 “(a) For thoroughbred horse races, to the Oregon Thoroughbred Owners and Breeders Associ-  
34 ation, Incorporated, to be used by that association subject to prior approval of the commission, in  
35 such amounts and for such of the following purposes as the association deems desirable:

36 “(A) For breeders awards;

37 “(B) For stallion awards;

38 “(C) For education of the members of the association and other horsemen regarding the breeding  
39 and racing of thoroughbred horses; or

40 “(D) For the promotion and development of thoroughbred horse breeding and racing in Oregon.

41 “(b) For quarter horse races, to the Oregon Quarter Horse Racing Association, Incorporated, to  
42 be used by that association subject to prior approval of the commission, in such amounts and for  
43 such of the following purposes as the association deems desirable:

44 “(A) For breeders awards;

45 “(B) For stallion awards;

1 “(C) For education of the members of the association and other horsemen regarding the breeding  
2 and racing of quarter horses; or

3 “(D) For the promotion and development of quarter horse breeding and racing in Oregon.

4 “(c) For races for any other horses not designated in paragraphs (a) and (b) of this subsection,  
5 to each association of horsemen recognized by the commission as representing the other breeds of  
6 horses, to be used by that association subject to prior approval of the commission, in such amounts  
7 and for such of the following purposes as each recognized association deems desirable:

8 “(A) For breeders awards;

9 “(B) For stallion awards;

10 “(C) For education of the members of the association and other horsemen regarding the breeding  
11 and racing of horses; or

12 “(D) For the promotion and development of horse breeding and racing in Oregon.

13 “[*d*] By a licensee of a race meet for greyhounds:]

14 “[*(A)* One-half thereof to augment purses subject to reasonable regulations prescribed by the com-  
15 mission.]

16 “[*(B)* The other one-half thereof for benefit and improvement of the breeding, ownership, training  
17 and racing of greyhounds in Oregon, subject to reasonable regulations prescribed by the commission.  
18 Included, but not by way of limitation, would be payment of purses for maiden graduation or special  
19 schooling races without wagering, and construction and operation of one or more appropriate public  
20 training facilities within the state. All such funds shall be retained by the licensee in an account sep-  
21 arate from all other funds, and no disbursements or transfers shall be made therefrom without prior  
22 approval of the commission.]

23 “**SECTION 17.** ORS 462.155 is amended to read:

24 “462.155. (1) The Oregon Racing Commission may allow a race meet operator [*that holds a Class*  
25 *A license*] to conduct mutuel wagering at the licensee’s race course on horse races previously held  
26 if:

27 “(a) The races were actual events held at race courses during race meets;

28 “(b) The races were subject to mutuel wagering at the time the races were originally held; and

29 “(c) The race meets at which the races were originally held were approved by the commission  
30 or by an equivalent regulatory body in another state.

31 “(2) Subsection (1) of this section allows mutuel wagering on a horse race displayed as a video  
32 or audio recording, or another form of recording approved by the commission, but does not authorize  
33 wagering on any animation, computer simulation or other artificial representation of horse racing.

34 “(3) Subsection (1) of this section does not apply to a race meet operator described in ORS  
35 462.057 (2). Subsection (1) of this section does not authorize off-race course wagering or multi-  
36 jurisdictional simulcasting for horse races previously held.

37 “(4) Wagers authorized under subsection (1) of this section are subject to the provisions of ORS  
38 462.157.

39 “**SECTION 18.** ORS 462.510 is amended to read:

40 “462.510. (1) Any person who attempts to, or does persuade, procure or cause another person to  
41 wager on an animal participating in a race, and upon which money is wagered, and who asks or  
42 demands, or accepts compensation as a reward for information or purported information given in  
43 such case is a tout, and is guilty of touting.

44 “(2) Predictions on the outcome of horse races [*and greyhound races*] may be sold on the  
45 licensee’s premises in accordance with rules promulgated by the Oregon Racing Commission.

1       “**SECTION 19.** ORS 462.710 is amended to read:

2       “462.710. (1) Any race meet licensee may make written application to the Oregon Racing Com-  
3 mission to conduct off-race course mutuel wagering:

4       “(a) On races held at the licensee’s race course; or

5       “(b) On races held at race courses outside this state.

6       “(2) The application shall be in such form, shall contain such information and shall be submitted  
7 at such time and in such manner as the commission may require. Information required by the com-  
8 mission may include, but is not limited to, a description of the facilities, equipment and method of  
9 operation whereby the applicant proposes to conduct off-race course mutuel wagering activities.

10       “(3) The commission shall authorize off-race course mutuel wagering upon such terms and con-  
11 ditions regarding the time, location and manner of operation as the commission considers appropri-  
12 ate. The commission may not authorize more than 20 locations for off-race course mutuel wagering  
13 to be in operation at any one time and shall permit off-race course mutuel wagering only at an au-  
14 thorized location. The commission may not authorize the conduct of off-race course mutuel wagering  
15 at any time or place or in any manner that the commission determines would have substantial ad-  
16 verse impact upon mutuel wagering on races held at a race course in this state. The commission  
17 may not authorize a race meet licensee to conduct off-race course mutuel wagering within the  
18 boundaries of any city or county that has adopted an ordinance prohibiting the conduct of that ac-  
19 tivity within the city or county. The commission may not authorize a race meet licensee to conduct  
20 off-race course mutuel wagering in any county with a population of less than 250,000 at a location  
21 that is within 40 miles of any other location where another race meet licensee is conducting a live  
22 race meet without written consent of the live race meet licensee.

23       “(4) In addition to other grounds provided in this chapter, the commission may refuse to issue  
24 or renew or may revoke or suspend the license of any race meet licensee, or any employee thereof,  
25 for failure to comply with ORS 462.700 to 462.740 or commission rules.

26       “(5) If a race meet licensee proposes to conduct off-race course mutuel wagering at a physical  
27 facility separate from the race course:

28       “(a) Individuals working at the separate facility must obtain a license for such employment from  
29 the commission if the individuals are performing duties for which a license would be required if the  
30 duties were performed at a race course. The fee for any such license shall be the same as the fee  
31 for the license required if the individual were working at a race course.

32       “(b) ORS 462.080, 462.190 and 462.195 apply to the race meet licensee and to individuals at the  
33 facility in the same manner as if the mutuel wagering activity were being conducted at a race  
34 course.

35       “(6) In addition to other requirements of ORS 462.700 to 462.740, the commission may authorize  
36 a race meet licensee to conduct off-race course mutuel wagering on a particular race that is held  
37 at a race course outside this state subject to the following [conditions] **provisions:**

38       “(a) The commission may authorize only one race meet licensee, that is the holder of a license  
39 under ORS 462.062 or 462.067, to conduct off-race course mutuel wagering on the race.

40       “(b) The commission may authorize such off-race course mutuel wagering to be conducted at the  
41 licensee’s race course and any off-race course wagering site approved by the commission.

42       “(c) The commission may authorize a race meet licensee to conduct off-race course mutuel  
43 wagering on either horse races or greyhound races[, *except that:*].

44       “[(A) A horse race meet licensee may conduct off-race course mutuel wagering on greyhound races  
45 only if there is no active greyhound race meet licensee; and]

1           “(B) *A greyhound race meet licensee may conduct off-race course mutuel wagering on horse races*  
2 *only if there is no active horse race meet licensee.*]

3           “(d) If a licensee applies for authority to conduct mutuel wagering on horse races held at race  
4 courses outside this state, the commission may require that the licensee provide such evidence as  
5 the commission considers appropriate regarding the ability of the licensee to comply with the  
6 Interstate Horseracing Act of 1978, 15 U.S.C. 3001 to 3007, as amended.”.
