Instructs Water Resources Commission to make funding decisions for loans and grants awarded from Water Supply Development Account **at least** twice each year.

A BILL FOR AN ACT

1
2 Relating to water supply development projects; amending ORS 541.669.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1.** ORS 541.669 is amended to read:

5 541.669. (1) The Water Resources Commission shall adopt rules establishing a system for scoring
6 and ranking projects to determine which projects are to be awarded loans and grants from the
7 Water Supply Development Account, including but not limited to the application of minimum criteria
8 designed to achieve the outcomes described in ORS 541.677. The criteria shall be based on the public
9 benefit categories described in ORS 541.673. The commission shall make the loan and grant funding
10 decisions [*once*] **at least twice** each year. Applications must be filed with the Water Resources De-
11 partment. The department shall accept an application for a loan or grant at any time, but shall es-
12 tablish [*a yearly deadline*] **a separate deadline** for the [*consideration of a pool*] **filing** of applications
13 **before each time the commission makes loan and grant funding decisions.**

14 (2) The department shall conduct a preliminary review of applications to check for completeness,
15 eligibility and minimum requirements upon receipt of each application. The department shall return
16 incomplete applications to the applicant. The department shall provide public notice by posting new
17 funding applications on the department's website for a 60-day period prior to reviewing the appli-
18 cations. The department shall provide for the receipt of public comment on the applications during
19 the 60-day period that applications are posted on the department's website.

20 (3) The department shall forward applications that have passed preliminary review, along with
21 any comments received from applicants or the public, to a technical review team consisting of rep-
22 resentatives of the Water Resources Department, the Department of Environmental Quality, the
23 State Department of Fish and Wildlife, the State Department of Agriculture, the Oregon Business
24 Development Department, affected Indian tribes, any collaborative body established by the Governor
25 to address challenges, opportunities and priorities for the region affected by the project and addi-
26 tional experts as determined by the Water Resources Department. The technical review team shall
27 conduct the initial scoring and ranking for the projects described in the applications, consider
28 comments from applicants and the public and make loan and grant funding recommendations to the

1 commission. The commission shall determine the final scoring and ranking of projects and make the
2 final decision regarding which projects are awarded loans or grants from the account. Before the
3 commission makes a final decision on an application, the commission shall offer one additional op-
4 portunity for public comment.

5 (4) The commission is not required to obligate all available account moneys during a funding
6 cycle. Any available account moneys that are not obligated during a funding cycle shall be carried
7 forward and be made available for projects in future funding cycles.

8 (5) The department shall document the ranking of all applications and make the application
9 ranking publicly available after the funding decisions by the commission have been published.
